Hague, Feb. 9. We have received Advice here of the Surrender of Passau on the 25th past, and of the Austrian Forces having over-run the greatest Part of Bavaria, and raised vast Contributions; but as the Posts from the Empire come in so irregularly, we have as yet only very general Accounts of the Proceedings in those Parts. The News of Felt Marshal Torring's having been taken Prisoner is contradicted. It is said that the Elector Palatine is fending a Body of Troops for the Defence of Bavaria, and that the French are preparing to replace that under the Command of M. Segur, which is to return into France in pursuance of the Capitulation of Lintz.

Whitehall, February 6.

· By his Majesty's Ship the Suffolk, commanded by Captain Davers, arrived at Spithead from Jamaica, there is Advice, that Major General Wentworth, with the Forces under his Command, was returned, on the poth of November last, to Port Royal in Jamaica, having found it necessary to withdraw them from the Island of Cuba, upon Account of the Sickness, which was increasing greatly amongst them.

And there are also Letters from Vice Admiral Vernon, dated the 10th of December, at which Time he was, with the Fleet, out upon a Cruize, in order to meet the Reinforcement

expected from England.
