His Grace the Duke of Newcastle having received by the Penny Post a Letter dated the 6th Instant, and signed C. D.; if the Person who wrote the said Letter will make himself known to his Grace, he may depend upon the strictest Secrecy, and upon all fitting Encouragement.

Edinburgh, Jan. 2. The Number of the Rebels arrived at Glasgow, by a Medium of several Computations, is about 3600 Foot, and near 500 Horse, including 50 or 60 employed in carrying their Sick. Their Horses are poor and jaded, and 6 or 700 of their Foot have no Arms or Ability to use them. Some hundreds of their Friends have passed the Forth in their Way to Glasgow; and on Saturday last the Person called Duke of Perth, with a Party of about 150, went from Glasgow, and it is reported he is got home. Small Parties are continually passing that Way, whether deserting or marching to Perth is not known. However it is certain that they have lost several by Desertion and Death since they arrived at Glasgow, where they have also enlisted about 50 or 60, who took on with them for Want of Bread. Their Demands upon Glasgow for Broad-cloth, Tartan, Linnen, Bonnets, and Shoes, amount to near 10,000 l. Sterling in Value; besides which, they say they must have a Sum of Money. They have assess'd Provost Buchannan in 500 l. for promoting the new Levies on the Behalf of the Government, and have been very outrageous against all those who appeared zealous and active in raising them, by plundering and burning their Houses, destroying their Goods and Furniture, and (where they could not carry off their Provisions) by spoiling them in a most unheard-of Manner, which, so far from having the Effect they proposed, has greatly increased the Spirit against them. They give out that they are to attack Sirling, and on Monday Noon the Cannon from Perth was moved towards that Place, amongst which are two Pieces of 8 Pounds, two of 12, two of 16, all Brass, besides Iron Cannon, and a large Quantity of Powder and Ball; the Rebels from Perth marched therewith. The Prisoners who were at Perth are sent to Glames. Here are Advices here, that the Rebels had got some of their Military Stores, particularly Iron Cannon and Ball, from Montrose by Sea to Perth, and that they had fitted out the Hazard Sloop, and a Privateer at Montrose, which were ready to put to Sea, and that they were also fitting out an armed Sloop at Perth. At this last Place they have fortify'd Oliver's Mount, and have from 100 to 200 Country People daily employed in fortifying the whole Town. As soon as we heard that the first Division of the Troops sent to this Place from Marshal Wade's Army had passed Newcastle, we began to repair the Fortifications of this City, and gave Notice to the People in the Country, upon whom we could depend, to be in Readiness to come hither for the Defence of the City.
