AT the Court at *Kensington* the 28th Day of *June* 1749.

P R E S E N T,

The King's most Excellent Majesty in Council.

Whereas His Majesty was pleased by His Order in Council of the 18th of June 1747, upon Information of the Plague being at that Time at *S^{ta} Cruz* in West Barbary, to order and require, That all Ships and Vessels then arrived and not unladen, and all Ships and Vessels that should thereafter arrive in any Port of this Kingdom from the said Port of *S^{ta} Cruz*, or any other Port in West Barbary on the Atlantick Ocean, should make their Quarantine for Forty Days, in such Manner, and under such Rules, Regulations, and Restrictions as were by the said Order directed; which Order is still in Force. And whereas His Majesty hath lately received Information, that the Plague rages at this Time at *Saffie* and *Salle* on the said West Coast of Barbary; and that from the Correspondence which is constantly carried on between those Places and the Towns of *Tangier* and *Tetuan* lying in or near the Straights Mouth, there is great Reason to apprehend that the Infection will soon spread throughout the two Kingdoms of *Fez* and *Morocco*: And it being of the utmost Importance to prevent the Contagion being brought into this Kingdom from any of the said Places—His Majesty, out of His great Care for the Preservation of His Subjects, and the better to prevent the said Infection being brought hither, doth, with the Advice of his Privy Council, think it proper to order; and it is hereby ordered, That the Quarantine now subsisting upon Ships coming from any of the Ports in West Barbary upon the Atlantick Ocean be continued, and a like Quarantine of Forty Days laid on all Ships and Vessels coming from any of the Ports in the Straights of *Gibraltar* on the

Barbary Coast, or any other of the Ports on that Coast in the Mediterranean, lying between the said Straights and *Cape de las tres Forcas* in the Kingdom of *Fez*: And that the like Rules, Regulations and Restrictions be observed by all such Ships and Vessels as are required to be observed by His Majesty's aforementioned Order in Council of the 18th of June 1747—And the Lords Commissioners of His Majesty's Treasury, the Commissioners for Executing the Office of Lord High Admiral of Great Britain, the Lord Warden of the Cinque Ports, the Master General and the rest of the Principal Officers of the Ordnance, and His Majesty's Secretary at War, are to give the necessary Directions herein as to them may respectively appertain.

W. Sharpe.

Extract of an Act passed the last Session of Parliament for preventing the Spreading of the Distemper amongst the Horned Cattle.

AND be it further enacted by the Authority aforesaid, that an Act made in the Nineteenth Year of the Reign of his present Majesty, intituled, An Act to enable his Majesty to make Rules, Orders, and Regulations, more effectually to prevent the Spreading of the Distemper, which now rages amongst the horned Cattle in this Kingdom, which was to continue and be in Force for the Space of eight Months, and to the End of the then next Session of Parliament; and which by an Act made in the Twentieth Year of the Reign of his present Majesty, was explained, amended, and continued, and to be in Force with the said last mentioned Act, for the Space of eight Months, from the Tenth Day of January, One thousand seven hundred and forty six, and from thence to the End of the then next Session of Parliament; and which said Acts, by an Act made in the Twenty first Year of the Reign of his present Majesty, for continuing several Laws therein mentioned,

(Price Four-pence.)

mentioned, were further continued from the Expiration thereof, until the Twenty-fourth Day of September, One thousand seven hundred and forty eight, and from thence to the End of the then next Session of Parliament; shall be, and the same are hereby further continued from the Expiration thereof, until the Twenty-fourth Day of September, One thousand seven hundred and forty-nine, and from thence to the End of the then next Session of Parliament.

And whereas it is apprehended, that the Distemper which still rages amongst the horned Cattle, has been greatly spread and increased by Tanners and others buying the Hides and Skins of infected Beasts, and carrying the same secretly to their Tan-yards: Wherefore for preventing the same for the future, be it enacted by the Authority aforesaid, that every Tanner, Tawer, or Dresser of Hides or Skins shall, before he brings any raw Hide or Skin of any Bull, Ox, Cow, Calf, Steer, or Heifer, into his Tan-yard, Workhouse, Warehouse, or Place used for dressing or manufacturing of Hides or Skins, give Notice to the Officer of Excise, of the District in which such Tan-yard or Dressing-place is situated, and whose Survey the said Tanner, Tawer, or Dresser of Hides shall be under and subject to for the Time being, and produce to the said Officer a Certificate, under the Hand and Seal, or Hands and Seals, of one or more Justice or Justices of the Peace, or Commissioner or Commissioners of the Land-Tax, specifying the Colour of such Hide or Skin, the Name and Place of Abode of the Owner of such Hide or Skin, and that upon Examination on Oath of one or more credible Person or Persons, it appeared to the Person or Persons signing and sealing such Certificate, that the Beast from which such Hide or Skin was taken was sound, and free from any Infection; which Certificate shall by the said Officer be entered into a Book to be kept for that Purpose; and if any Tanner, Tawer, or Dresser of Hides or Skins, shall bring or suffer to be brought into his Tan-yard or Tan-pits, or other Place used for dressing or manufacturing Hides or Skins, any such raw Hide or Skin, or shall tan or dress, or manufacture any such raw Hide or Skin, without giving such Notice, and producing such Certificate as aforesaid, every Person so offending shall, for every such Offence, forfeit the Sum of Ten Pounds, to be recovered, levied, and applied, as the several Forfeitures are by the said Act of the Nineteenth Year of his present Majesty's Reign, to be recovered, levied, and applied.

And it is hereby further enacted, That all and every or any of the Officers of Excise, acting and employed in any District wherein any Tan-yard, Workhouse or Warehouse, or Place for dressing or manufacturing of Hides or Skins is situate and being, shall and may, at all Times, by Day or by Night, (and if in the Night, then

in the Presence of a Constable, or other lawful Officer of the Peace) be permitted, upon his or their Request, to enter into any such Tan-yard, Workhouse, Warehouse, or Place, in order to search for Hides and Skins, suspected to be brought and conveyed into the same respectively, contrary to, and against the Tenor and true Meaning of this Act, and then and there to search and examine, or cause to be searched or examined, any Tan-pit Fat, or other Place, where any such Hide or Skin is suspected to be laid, hid, put, or concealed; and if any Tanner, Tawer, or other Person or Persons whatsoever, shall obstruct or hinder any such Officer or Officers in the Execution of his or their Duty, Power, or Authority given to, vested in, and required of him and them respectively by this Act, every Person so offending, and being thereof lawfully convicted as aforesaid, shall, for every such Offence, forfeit and pay the Sum of Ten Pounds, to be recovered, applied, and disposed of in Manner aforesaid.

And to prevent the spreading of the said infectious Distemper, by Persons who frequently buy up Cattle in infected Places, and soon after dispose of the same in Places free from the Infection, contrary to the true Intent and Meaning of the said Acts, and the Orders and Regulations made by his Majesty in Council, be it enacted by the Authority aforesaid, That from and after the First Day of July, One thousand seven hundred and forty nine, no Person whatsoever, by himself, his Servant, or Agent, shall sell or dispose of any living Ox, Bull, Cow, Calf, Steer, or Heifer, until the same shall have been the Property of such Person for the Term of Forty Days at the least; and in Proof of such Property, the Seller shall produce a Certificate, under the Hand of the Person of whom such Ox, Bull, Cow, Calf, Steer, or Heifer, was last bought or purchased, signifying the Time when he purchased the same; and every Person who shall sell or dispose of any Ox, Bull, Cow, Calf, Steer, or Heifer, without producing such Certificate, and shall be thereof convicted by his, her, or their own Confession, or by the Oath of one or more credible Witness or Witnesses, before any Justice or Justices of the Peace for the County, Riding, Division, City, Liberty, or Town Corporate where the Offence shall be committed, shall, for every Ox, Bull, Cow, Calf, Steer, or Heifer, so sold or disposed of, forfeit and pay the Sum of Ten Pounds, unless such Person shall by himself, his Agent or Servant, make Oath before the said Justice or Justices (which Oath the said Justice or Justices is and are hereby empowered to administer) that the said Ox, Bull, Cow, Calf, Steer or Heifer, has been his Property for more than forty Days, the said Forfeiture to be adjudged, levied, and recovered in such Manner, as the Penalty of Ten Pounds is, by the said Act of the Nineteenth

teenth Year of the Reign of his present Majesty, to be adjudged, levied, and recovered; one Moiety of the said Forfeiture to be given to the Informer, and the other Moiety to the Poor of the Parish where the Offence shall be committed.

And be it further enacted by the Authority aforesaid, That every Person who shall, from and after the said First Day of July, sell or dispose of any Ox, Bull, Cow, Calf, Steer, or Heifer, and shall give a false or untrue Certificate of the Time of the Sale of such Cattle, and every Person who shall accept of such false or untrue Certificate, knowing the same to be such, shall forfeit and pay the like Sum of Ten Pounds, to be adjudged, levied, recovered, and disposed of in the Manner above directed.

And be it enacted by the Authority aforesaid, That from and after the First Day of July, which shall be in the Year of our Lord, One thousand seven hundred and forty nine, if any Drover, or Person or Persons driving and conducting Horned Cattle from one Place to another, shall find any Beast or Beasts in his Drift sicken upon the Road, so as to be unable to proceed forward in their Journey, such Drover, or Person or Persons driving such Horned Cattle, shall forthwith give Notice thereof to the Constable, Headborough, or Churchwarden of the Parish or Place wherein such Beast or Beasts shall sicken, in order that the same may be slain and buried, the Skin being first flayed, if deemed to be ill of the Distemper now raging amongst the Horned Cattle, in the Opinion of the Officer of such Parish or Place so summoned, and of two other substantial Inhabitants of the said Parish or Place, whom the said Officer is hereby empowered, by a Note in Writing under his Hand, to summon to his Assistance; and in Case any Drover, or Person or Persons driving Horned Cattle, shall fail herein, or shall conceal or drive out of the Way without giving such Notice, any such sick Beast or Beasts, he or they so offending, shall forfeit and pay Ten Pounds, to the Use of the Poor of such Parish or Place wherein such Beast or Beasts shall be found sick or dead, to be levied on his or their Goods and Chattels, by Warrant under the Hand and Seal of any Justice of the Peace of the County, Ridings, Division, Liberty, City, or Town Corporate, wherein such Drover, or Person or Persons driving such Horned Cattle shall be taken; and in Case of Nonpayment, such Drover, or Person or Persons, shall be committed to the common Goal of such County, Shire, Stewartry, Riding, Division, Liberty, City, or Town Corporate, there to remain without Bail or Mainprize for the Space of Six Calendar Months, or until he or they shall have paid the said Penalty.

And whereas his Majesty hath, in pursuance of the said Acts of Parliament, by his Order in Council, bearing Date the Twenty-second Day

of March, One thousand seven hundred and forty seven, made and established certain Rules, Orders and Regulations for the better preventing the spreading of the said Infection, and putting a Stop to the Distemper; which Rules, Orders and Regulations have been found beneficial; be it therefore enacted by the Authority aforesaid, That the said Order in Council, and all the Rules, Orders and Regulations therein contained and inserted (except such and so much of them, or any of them respectively, as his Majesty, his Heirs and Successors, at any Time or Times during the Continuance of the said former Acts, shall, with the Advice of his and their Privy Council, judge proper and expedient to repeal, alter, or vary) shall be in Force, and the same, and also such other Rules, Orders and Regulations, Variations and Additions, as shall be made by virtue of, and in pursuance, and under the Power and Authority of this present Act, and the said former Acts, shall be observed and obeyed by all his Majesty's Subjects, during the Continuance of the said former Acts, under the Penalty of Ten Pounds, inflicted and directed to be levied by the said former Acts for every Offence committed against the same.

And it is hereby further enacted and declared, That all the Powers and Authorities given by the said Order of Council, or which shall be given by any subsequent Order of Council by virtue of the Authority aforesaid, to Justices of the Peace, and other Magistrates, and to Commissioners of the Land Tax, Inspectors, and other Officers appointed in that Behalf, shall be duly executed, and are hereby established, and enacted and declared to be as good and valid in the Law, to all Intents and Purposes, during the Continuance of the said Order or Orders, as if the same were herein repeated and expressly enacted.

And be it further enacted, That from and after the Fifteenth Day of June, One thousand seven hundred and forty nine, all and every Person and Persons who shall by Force or Threats intimidate, hinder or prevent the said Justices, Magistrates, Commissioners, Inspectors, or other Officers, from executing the said Rules, Orders and Regulations, or from performing their respective Duties in relation thereto, or who shall enter into any Combination, Confederacy, or Subscription, to disobey the said Order or Orders in Council, or to defeat, hinder or prevent the Execution thereof, shall, over and beside the Penalty inflicted by the said Act, forfeit and pay the Sum of Fifty Pounds; to be recovered by Bill, Plaint, Suit, or Information, in any of his Majesty's Courts of Record at Westminster, by any Person or Persons who shall inform and sue for the same, to go and be paid to and for the sole Use and Benefit of such Person or Persons respectively, with full Costs of Suit.

Provided,

Provided, and be it further enacted, That if any Action or Suit shall be commenced against any Person or Persons for any Thing done in pursuance of this or any of the said former Acts, in every such Case the Action or Suit shall be brought within Six Calendar Months next after the Fact committed, and not afterwards, and in the County where the Fact hath been, or shall be committed, and not elsewhere; and the Defendant and Defendants in such Action and Suit to be brought shall and may plead the general Issue, and give the special Matter of his Defence in Evidence at any Trial to be had thereupon, and that the same was done in pursuance of the said former Acts, or this present Act; and if the same shall appear so to be done, or such Action or Suit to be brought after the Time limited for bringing the same, or shall be brought in any other County, Place or Places than where the Fact was committed, then the Jury shall find for the Defendant or Defendants; and upon such Verdict, or if the Plaintiff or Plaintiffs shall become Nonsuit, or discontinue his or their Action, after the Defendant or Defendants shall have appeared; or if, upon Demurrer, Judgment shall be given against the Plaintiff or Plaintiffs, the Defendant and Defendants, in every such Case, shall and may recover Treble Costs, and have such Remedy for the same, as any Defendant or Defendants hath or have in any Cases by Law.

Naples, June 10, N. S. Last Week sailed from this Port for Sicily, on board of divers Transport Vessels, the Swiss Regiment, Wirtz, to relieve that of Jauch in Garrison in that Kingdom. The Prince of Franca Villa, agreeable to the King's Permission, is set out from this City for Turin, on his private Affairs. A few Days ago the Deserters out of the King's Troops, who had taken Refuge at Benevento, having mutined, forced the Centinels, and got Possession of the Arms of the Pope's Soldiers on Duty in that Castle, attempted their Escape, and fired at those who offered to oppose them; but being overpowered by a Detachment of the Militia that timely arrived there, they were arrested and ordered to a closer Confinement: Several Men on both Sides were killed and disabled in the Scuffle.

Rome, June 14, N. S. A few Days ago arrived in this City from Paris, on his Return to Naples, the Prince of Ardore, the late Ambassador from the Court of Naples to the King of France. He was received and complimented at some Distance from this City by Cardinal Orsini and the Prince of Santobono, in their Coaches and Six: On the 12th he had a private Audience of the Pope at Castle Candolfo.

The Pope, on his Return to this City, intends to fill up the Vacancies in the College of Cardinals. On the 11th at Night a most dreadful Hurricane happened at this Place, the like of which has not been known in the Memory of Man: It was attended with exceeding great Claps of Thunder and Lightning, and has occasioned infinite Damage both to the City and Suburbs, having blown down several Walls, Houses and Trees, and killed many People.

Leghorn, June 16, N. S. On the 12th Instant the Eagle Merchant Ship, Capt. Massau, bound to London, richly laden with 80 Bales of Silk, &c. was cast away a few Hours after she sailed, behind Monte Nero, and all the Cargo lost.

Florence, June 20, N. S. On the 7th Instant M. de Richecourt sent back to Vienna, the Courier which he lately received from that Court, with Dispatches both for him and Marshal Stampa at Pisa, relating to the Imperial Fiefs of Carpegna and Scavolino, lately devolved to the Emperor by the Decease of the last Male Heir of the Counts of Carpegna; and to inform that Court with the Steps taken by the Regency to send a Detachment of 400 Men out of the Tuscan Militia to take Possession of it; which they accordingly did on the 11th Instant without any Opposition on the Part of the Pope's Soldiers.
