ON Thursday June 5, 1755, His Majesty was pleased to confer on Dr. William Lowther, the Honour of his Royal Letters Patent, for his great Invention of the Anti-Epileptic Nervous Powders: Famous for the many surprizing Cures they have performed in all Sorts of Fits, Nervous and Paralytick Complaints, being the best adapted Medicine ever yet invented (an almost an infallible Specific) for the above Disorders. A few Doses, taken the New of every Moon, are a sure Preservative against Apoplexies, and those Persons who have experienced one Fit, by following the above Rule, will certainly prevent their ever having any other. They are pleasant to the Taste, may be taken at all Seasons, and are far beyond any Salts or Mineral Water whatever, in sweetening and purifying the Blood, and what greatly adds to the Preference, they generally operate insensibly.

These Powders are sold only at Brooke's Warehouse, facing Water-Lane, Fleet-street, where Dr. Lowther attends Tuesdays, Thursdays and Saturdays, from Ten o'Clock to One, to give his Advice Gratis, in all Cases of Fits, Nervous Complaints, and Disorders incident to the Fair Sex.
