*By the KING'S Patent;*

**HIS MAJESTY** having been graciously pleased to grant his Royal Letters Patent, bearing Date at Westminster the 17th Day of October 1751, in the 25th Year of his Reign, unto Richard Rock, of the Parish of St. Bridget, otherwise Bride's, London, Licentiate in Medicine, for his New Compound Medicine, or Anti-Veneral Cathartick Electuary, for the true Cure of fresh Venereal Injuries, and all the lurking Relicks or Remains of old ones, which he has brought to a surprizing Degree of Perfection in the Cure of the several Stages of the Venereal Distemper, from the slightest Infection to the most inveterate Degree thereof, without breaking or impairing the Constitution, enervating the human System, or leaving any Foulness or Weakness behind: This is therefore to acquaint the Publick, for whose Use and Benefit the said Letters Patent were principally obtained, that the said most admirable Electuary is sold by him at the Golden Head and Key, Bell Savage Inn Gateway, Ludgate-Hill, London, at only 6s. and a Book of plain Instructions (by the Help of which every one may be his own Physician) given with each Pot: Where Advice is to be had, and all Debilities, Obstructions of the urinary Passages, and Gleet, are absolutely cured.

Sold at the Widow Adams's, Printer, at West-Chester; and at Mr. Gamble's, Distiller, at Gravesend.

**I**N June 1755, I was seized in Jamaica with a Bilious Fever, a Disorder very common in that Island, and in a few Hours was delirious; they bleed me and gave me a Vomit, but my Fever continuing very High, I took Dr. James's Powder, (that is sold at Mr. Newbery's in St. Paul's Church-Yard) one Dose of which vomited and purged me pretty much, and then sweat me profusely after which I slept some Hours, and the Fever entirely left me. I thought it was prudent however to take a Dose or two more, which I did, and soon recover'd my Strength. Mr. Carpenter, James Casburn, was in our Passage Home taken with a Fever, which threw him into strong Convulsions, so that his Arms, Legs and Body, were contracted or distended to a very great Degree, and every one in the Ship gave him over for lost; but upon taking two Doses of the Powders, which work'd him pretty much, he perfectly recovered.
