THE following Address of the Lieutenant Governor, Council, and Assembly of the Island of Jamaica, has been presented to His Majesty: Which Address His Majesty was pleased to receive very graciously.

To the King's most Excellent Majesty,

The humble Address of the Lieutenant Governor, Council, and Assembly.

May it please your Majesty,

WE your Majesty's most dutiful and loyal Subjects, the Lieutenant Governor, Council, and Assembly of your Majesty's Island of Jamaica, do with all Humility approach your Throne, to congratulate your Majesty on the Success that hath attended the several Expeditions, that by your Majesty's Wisdom were so happily planned, and by the Power of your Arms so gloriously executed; and which will necessarily produce that Peace and Happiness to your People, which your Majesty has been so earnest to ascertain. We will not enumerate the Advantages obtained over your Enemies; the Ruin and Destruction of their Trade, the Diminution of their Marine, the Misery and Desolation of their Provinces, and the Confusion of their State, speak the Greatness of your Achievements. Whilst such are their Distresses, the flourishing Condition of your Subjects is easy to conceive, though difficult to express. But as we are as sensible as any of your loyal Subjects can be, of the Benefits that will accrue to your Dominions from these memorable Events, so do we as gratefully and emphatically acknowledge the various Blessings we have received under your Majesty's gracious Administration. Such is the Happiness of your People; nor were your Enemies destitute of Comfort, when the Mercy extended at Cherburgh, struck them with Admiration of an Act so truly Heroic, and so nobly becoming the Majesty of a great and good King, reigning over a free People. May the Almighty God that hath given Victory to your Majesty, continue you in his Protection, and assist you in granting and perpetuating to your People, the Blessings of Peace; and by administering Safety to your Enemies, teach them in Gratitude to acknowledge their Benefactor.

The following Address of the Governor and Council of the Province of North Carolina, has been presented to His Majesty: Which Address his Majesty was pleased to receive very graciously.

To the King's most Excellent Majesty,

The humble Address of the Governor and Council of the Province of North Carolina.

Most Gracious Sovereign,

WE your Majesty's most dutiful and loyal Subjects, the Governor and Council of North Carolina, do most sincerely, and with
[Price Three-Pence.]

most grateful Hearts, congratulate your Majesty upon the glorious Success of your Arms, and that of your Allies in Germany; by securing the Protestant Religion and Liberties of Germany, and the Restoration of your Majesty's German Dominions, the glorious Victory obtained by Prince Ferdinand of Brunswick at Crevelt, and the late Defeat of the Russians by the intrepid and indefatigable King of Prussia: And also upon the happy Introduction of your Arms by Sea into France, and destroying their Harbours and Ships, and securing the Gum Trade at Senegal; and upon the glorious Success of your Arms in America, in taking Louisbourg, by the French deemed impregnable, and its Dependencies; and also of the Forts Cataracui and Duquesne, and the Submission of the Ohio Indians; by which the American Frontiers, Possession and Trade of the Countries adjoining the great Inland Lakes are secured to your Majesty: These Conquests being of the utmost Consequence to the American Colonies and Trade of Britain. And we hope, by the Blessing of God continued to us, that it will be a Prelude to the Driving of our insatiable Enemies from this Northern Continent, and of Civilizing the Indians, without which these Provinces can never enjoy Peace, nor be secured to your Majesty; such surprizing Conquests and Victories over such superior Numbers, in so short a Time, were never recorded in History.

It is with the utmost Joy, that we perceive the Manifestation of Divine Providence so eminently exerted, in Support of the true Apostolic Christian Church and Cause of Liberty, against the Idolatry, Superstition, and Tyranny of the Papacy and Popish Powers.

When the Protestant Churches and Kingdoms were reduced to the lowest Ebb, then God Almighty almost miraculously exerted his Power against the greatest Combined Empires, Kingdoms, and States, and raised your Majesty and the King of Prussia remarkably, as Christ's Vicegerents, to deliver and support His Church, and avenge them of their Adversaries, by restoring Unanimity to, and conducting your Councils, and inspiring your Troops with Courage: These are Favours we ought to acknowledge and proclaim; that Christ has taken up the Reins of Government, and heads our Fleets and Armies.

Permit us then, upon Account of these Colonies, to join in, and return with great Submission, our most grateful Thanks to your Majesty for the speedy, great, and effectual Support given to these Colonies, at an immense Expence secure our future Peace, Safety, and Depend upon your Protection, and to wish with most grateful Hearts, that you may end your Days in Peace, with a long and glorious Reign, after your Enemies, and securing the of Britain and these Colonies
