The provisions of clause 1.2 of the Facility Agreement apply to this deed as if they were set out in full in this deed, except that each reference in that clause to the Facility Agreement shall be read as a reference to this deed.

## **1.3 Clawback**

If the Lender considers that an amount paid by the Borrower in respect of the Secured Liabilities is capable of being avoided or otherwise set aside on the liquidation or administration of the

Borrower or otherwise, then that amount shall not be considered to have been irrevocably paid for the purposes of this deed.

**1.4 Perpetuity period**

If the rule against perpetuities applies to any trust created by this deed, the perpetuity period shall be 125 years (as specified by section 5(1) of the Perpetuities and Accumulations Act 2009).

The Borrower shall, on demand, pay to the Lender and discharge the Secured Liabilities when they become due.

**3. Grant of security**

**3.1 Legal mortgage**

As a continuing security for the payment and discharge of the Secured Liabilities, the Borrower with full title guarantee charges to the Lender by way of first legal mortgage, the Chattels.

**3.2 Fixed charge**

As a continuing security for the payment and discharge of the Secured Liabilities, the Borrower with full title guarantee charges to the Lender by way of a first fixed charge:

- (a) all its rights in respect of each Insurance Policy, including all claims, the proceeds of all claims, and all returns of premiums in connection with each Insurance Policy, to the extent not effectively assigned under clause 3.3;
- (b) all its rights in respect of each Relevant Agreement, to the extent not effectively assigned under clause 3.3;
- (c) the benefit of all other contracts, guarantees, appointments and warranties relating to the Chattels and other documents to which the Borrower is a party or which are in its favour or of which it has the benefit, to the extent not effectively assigned under clause 3.3; and

**3.3 Assignment**

As a continuing security for the payment and discharge of the Secured Liabilities, the Borrower with full title guarantee assigns to the Lender absolutely, subject to a proviso for reassignment on irrevocable discharge in full of the Secured Liabilities:

- (a) all its rights in each Insurance Policy, including all claims, the proceeds of all claims and all returns of premiums in connection with each Insurance Policy;
- (b) the benefit of each Relevant Agreement;
- (c) the benefit of all other contracts, guarantees, appointments and warranties relating to the Chattels and other documents to which the Borrower is a party or which are in its favour or of which it has the benefit, to the extent not effectively assigned under clause 3.3(a) or clause 3.3(b); and
- (d) all licences, consents and authorisations (statutory or otherwise) held or required in connection with the use of any Secured Assets, and all rights in connection with them,

provided that nothing in this clause 3.3 shall constitute the Lender as mortgagee in possession.

#### **3.4 Floating charge**

As a continuing security for the payment and discharge of the Secured Liabilities, the Borrower with full title guarantee charges to the Lender, by way of first floating charge, all its undertaking, property, assets and rights not otherwise effectively mortgaged, charged or assigned under clauses 3.1 to 3.3 above.

#### **3.5 Qualifying floating charge**

Paragraph 14 of Schedule B1 to the Insolvency Act 1986 applies to the floating charge created by clause 3.4.

#### **3.6 Automatic crystallisation of floating charge**

The floating charge created by clause 3.4 shall automatically and immediately (without notice) convert into a fixed charge over the assets subject to that floating charge if:

- (a) the Borrower:
  - (i) creates, or attempts to create, without the prior written consent of the Lender, Security or a trust in favour of another person over all or any part of the Secured Assets (except as expressly permitted by the terms of this deed or the Facility Agreement); or
  - (ii) disposes, or attempts to dispose of, all or any part of the Secured Assets (other than Secured Assets that are only subject to the floating charge while it remains uncrystallised);
- (b) any person levies (or attempts to levy) any distress, attachment, execution or other process against all or any part of the Secured Assets; or

- (c) a resolution is passed or an order is made for the winding-up, dissolution, administration or re-organisation of the Borrower.

### **3.7 Crystallisation of floating charge by notice**

The Lender may, in its sole discretion, at any time and by written notice to the Borrower, convert the floating charge created under this deed into a fixed charge as regards any part of the Secured Assets specified by the Lender in that notice.

### **3.8 Assets acquired after any floating charge has crystallised**

Any asset acquired by the Borrower after any crystallisation of the floating charge created under this deed that, but for that crystallisation, would be subject to a floating charge under this deed, shall (unless the Lender confirms otherwise to the Borrower in writing) be charged to the Lender by way of first fixed charge.

## **4. Liability of the Borrower**

### **4.1 Liability not discharged**

The Borrower's liability under this deed in respect of any of the Secured Liabilities shall not be discharged, prejudiced or affected by:

- (a) any security, guarantee, indemnity, remedy or other right held by, or available to, the Lender that is or becomes wholly or partially illegal, void or unenforceable on any ground;
- (b) the Lender renewing, determining, varying or increasing any facility or other transaction in any manner or concurring in, accepting or varying any compromise, arrangement or settlement, or omitting to claim or enforce payment from any other person; or
- (c) any other act or omission that, but for this clause 4.1, might have discharged, or otherwise prejudiced or affected, the liability of the Borrower.

### **4.2 Immediate recourse**

The Borrower waives any right it may have to require the Lender to enforce any security or other right, or claim any payment from, or otherwise proceed against, any other person before enforcing this deed against the Borrower.

## **5. Representations and warranties**

### **5.1 Representations and warranties**

The Borrower makes the representations and warranties set out in this clause 5 to the Lender.

### **5.2 Ownership of Secured Assets**

The Borrower is the sole legal and beneficial owner of, and has good, valid and marketable title to the Secured Assets.

**5.3 No Security**

The Secured Assets are free from any Security other than the Security created by this deed.

**5.4 Enforceable security**

This deed constitutes and will constitute the legal, valid, binding and enforceable obligations of the Borrower, and is, and will continue to be, effective security over all and every part of the Secured Assets in accordance with its terms.

**5.5 Times for making representations and warranties**

The Borrower makes the representations and warranties set out in clause 5.2 to clause 5.4 to the Lender on the date of this deed.

**6. Covenants**

**6.1 Negative pledge and disposal restrictions**

The Borrower shall not at any time, except with the prior written consent of the Lender:

- (a) create, purport to create or permit to subsist any Security on, or in relation to, any Secured Asset other than any Security created by this deed;
- (b) sell, assign, transfer, part with possession of or otherwise dispose of in any manner (or purport to do so) all or any part of, or any interest in, the Secured Assets (except, in the ordinary course of business, Secured Assets that are only subject to an uncrystallised floating charge); or
- (c) create or grant (or purport to create or grant) any interest in any Secured Asset in favour of a third party.

**6.2 Preservation of Secured Assets**

The Borrower shall not do, or permit to be done, any act or thing that would or might depreciate, jeopardise or otherwise prejudice the security held by the Lender or materially diminish the value of any of the Secured Assets (except for expected fair wear and tear) or the effectiveness of the security created by this deed.

**6.3 Compliance with laws and regulations**

The Borrower shall not, without the Lender's prior written consent, use or permit the Secured Assets to be used in any way contrary to law.

**6.4 Notices to be given by Borrower**

The Borrower shall, on request by the Lender:

- (a) give notice to the relevant insurers of the assignment of the Borrower's rights and interest in, and under, each Insurance Policy (including the proceeds of any claims under that Insurance Policy) pursuant to clause 3.3(a);
- (b) give notice to the other parties to each Relevant Agreement of the assignment of the Borrower's rights and interest in and under that Relevant Agreement pursuant to clause 3.3(b); and
- (c) give notice to the other parties to each other contract, guarantee, appointment, warranty or authorisation relating to the Chattels and any other document to which the Borrower is a party of the assignment of the Borrower's rights and interest in and under it pursuant to clause 3.3(c) or clause 3.3(d).

#### **6.5 Notice of mortgage**

The Borrower shall, if so requested by the Lender, affix to and maintain on each Chattel in a conspicuous place, a clearly legible identification plate containing the following wording:

"NOTICE OF LEGAL MORTGAGE

This [DESCRIPTION OF ITEM] and all additions to it and ancillary equipment are subject to a legal mortgage dated [DATE] in favour of REG Investments Limited."

#### **6.6 Maintenance of Chattels**

The Borrower shall at its own expense, maintain each Chattel in good and serviceable condition (except for expected fair wear and tear) in compliance with all relevant manuals, handbooks, manufacturer's instructions and recommendations and maintenance or servicing schedules.

#### **6.7 Information**

The Borrower shall give the Lender such information concerning the location, condition, use and operation of the Secured Assets as the Lender may require and permit any persons designated by the Lender and any Receiver to enter on its premises and inspect and examine any Secured Asset, and the records relating to that Secured Asset, at all reasonable times and on reasonable prior notice.

#### **6.8 Insurance**

- (a) The Borrower shall insure, and keep insured, the Secured Assets against:
  - (i) loss or damage by fire or terrorist acts, including any third party liability arising from such acts;
  - (ii) other risks, perils and contingencies that would be insured against by reasonably prudent persons carrying on the same class of business as the Borrower; and
  - (iii) any other risk, perils and contingencies as the Lender may reasonably require.

- (b) The Borrower shall, if requested by the Lender, produce to the Lender each policy, certificate or cover note relating to the insurance required by clause 6.8(a).

#### **6.9 Payment of outgoings**

The Borrower shall promptly pay all taxes, fees, licence duties, registration charges, insurance premiums and other outgoings in respect of the Secured Assets and, on demand, produce evidence of payment to the Lender.

#### **6.10 Maintenance of interests in Secured Assets**

The Borrower shall not, without the prior written consent of the Lender:

- (a) grant, or agree to grant, any licence or lease affecting the whole or any part of any Secured Assets; or
- (b) in any other way dispose of, or agree to dispose of, surrender or create any legal or equitable interest in the whole or any part of any Secured Assets.

#### **6.11 Annexation**

The Borrower shall not, without the Lender's prior written consent, annex, fix or otherwise secure or allow any such annexation, fixing or securing of any Chattel to any premises, land or buildings if the result of such action or omission is that the Chattel, or any part of it, would or might become a fixture or fitting.

### **7. Powers of the Lender**

#### **7.1 Power to remedy**

- (a) The Lender shall be entitled (but shall not be obliged) to remedy, at any time, a breach by the Borrower of any of its obligations contained in this deed.
- (b) The Borrower irrevocably authorises the Lender and its agents to do all things that are necessary or desirable for that purpose.
- (c) Any monies expended by the Lender in remedying a breach by the Borrower of its obligations contained in this deed, shall be reimbursed by the Borrower to the Lender on a full indemnity basis.

#### **7.2 Exercise of rights**

- (a) The rights of the Lender under clause 7.1 are without prejudice to any other rights of the Lender under this deed.
- (b) The exercise of any rights of the Lender under this deed shall not make the Lender liable to account as a mortgagee in possession.

#### **7.3 Lender has Receiver's powers**

To the extent permitted by law, any right, power or discretion conferred by this deed on a Receiver may, after the security constituted by this deed has become enforceable, be exercised by the Lender in relation to any of the Secured Assets whether or not it has taken possession of any Secured Assets and without first appointing a Receiver or notwithstanding the appointment of a Receiver.

#### **7.4 Conversion of currency**

- (a) For the purpose of, or pending the discharge of, any of the Secured Liabilities, the Lender may convert any monies received, recovered or realised by it under this deed (including the proceeds of any previous conversion under this clause 7.4) from their existing currencies of denomination into any other currencies of denomination that the Lender may think fit.
- (b) Any such conversion shall be effected at Barclays Bank plc's then prevailing spot selling rate of exchange for such other currency against the existing currency.
- (c) Each reference in this clause 7.4 to a currency extends to funds of that currency and, for the avoidance of doubt, funds of one currency may be converted into different funds of the same currency.

#### **7.5 Indulgence**

The Lender may, at its discretion, grant time or other indulgence or make any other arrangement, variation or release with any person not being a party to this deed (whether or not any such person is jointly liable with the Borrower) in respect of any of the Secured Liabilities or of any other security for them without prejudice either to this deed or to the liability of the Borrower for the Secured Liabilities.

### **8. When security becomes enforceable**

#### **8.1 Security becomes enforceable on Event of Default**

The security constituted by this deed shall become immediately enforceable if an Event of Default occurs.

#### **8.2 Discretion**

After the security constituted by this deed has become enforceable, the Lender may, in its absolute discretion, enforce all or any part of that security at the times, in the manner and on the terms it thinks fit, and take possession of and hold or dispose of all or any part of the Secured Assets.

### **9. Enforcement of security**

#### **9.1 Enforcement powers**

- (a) For the purposes of all powers implied by statute, the Secured Liabilities are deemed to have become due and payable on the date of this deed.
- (b) The power of sale and other powers conferred by section 101 of the LPA 1925 (as varied or extended by this deed) shall be immediately exercisable at any time after the security constituted by this deed has become enforceable under clause 8.1.
- (c) Section 103 of the LPA 1925 does not apply to the security constituted by this deed.

## **9.2 Access on enforcement**

At any time after the Lender has demanded payment of the Secured Liabilities or if the Borrower defaults in the performance of its obligations under this deed or the Facility Agreement, the Borrower will allow the Lender or its Receiver, without further notice or demand, immediately to exercise all its rights, powers and remedies in particular (and without limitation) to take possession of any Secured Asset and for that purpose to enter on any premises where a Secured Asset is situated (or where the Lender or a Receiver reasonably believes a Secured Asset to be situated) without incurring any liability to the Borrower for, or by any reason of, that entry.

## **9.3 Privileges**

Each Receiver and the Lender is entitled to all the rights, powers, privileges and immunities conferred by the LPA 1925 on mortgagees and receivers.

## **9.4 Conclusive discharge to purchasers**

The receipt of the Lender, or any Receiver or Delegate shall be a conclusive discharge to a purchaser and, in making any sale or other disposal of any of the Secured Assets or in making any acquisition in the exercise of their respective powers, the Lender, and every Receiver and Delegate may do so for any consideration, in any manner and on any terms that it or he thinks fit.

# **10. Receiver**

## **10.1 Appointment**

At any time after the security constituted by this deed has become enforceable, or at the request of the Borrower, the Lender may, without further notice, appoint by way of deed, or otherwise in writing, any one or more persons to be a Receiver of all or any part of the Secured Assets.

## **10.2 Removal**

The Lender may, without further notice, (subject to section 45 of the Insolvency Act 1986 in the case of an administrative receiver), from time to time, by way of deed, or otherwise in writing, remove any Receiver appointed by it and may, whenever it thinks fit, appoint a new Receiver in the place of any Receiver whose appointment may for any reason have terminated.

### **10.3 Remuneration**

The Lender may fix the remuneration of any Receiver appointed by it without the restrictions contained in section 109 of the LPA 1925, and the remuneration of the Receiver shall be a debt secured by this deed, to the extent not otherwise discharged.

### **10.4 Power of appointment additional to statutory powers**

The power to appoint a Receiver conferred by this deed shall be in addition to all statutory and other powers of the Lender under the Insolvency Act 1986, the LPA 1925 or otherwise, and shall be exercisable without the restrictions contained in sections 103 and 109 of the LPA 1925 or otherwise.

### **10.5 Power of appointment exercisable despite prior appointments**

The power to appoint a Receiver (whether conferred by this deed or by statute) shall be, and remain, exercisable by the Lender despite any prior appointment in respect of all or any part of the Secured Assets.

### **10.6 Agent of the Borrower**

Any Receiver appointed by the Lender under this deed shall be the agent of the Borrower and the Borrower shall be solely responsible for the contracts, engagements, acts, omissions, defaults, losses and remuneration of that Receiver and for liabilities incurred by that Receiver. The agency of each Receiver shall continue until the Borrower goes into liquidation and after that the Receiver shall act as principal and shall not become the agent of the Lender.

## **11. Powers of Receiver**

### **11.1 General**

- (a) Any Receiver appointed by the Lender under this deed may, in addition to the powers conferred on it by statute, do any other acts and things that it:
  - (i) may consider desirable or necessary for realising any of the Secured Assets;
  - (ii) may consider incidental or conducive to any of the rights or powers conferred on a Receiver under or by virtue of this deed or law; or
  - (iii) lawfully may or can do as agent for the Borrower.
- (b) A Receiver has all the rights, powers and discretions conferred on a receiver (or a receiver and manager) under the LPA 1925, and shall have those rights, powers and discretions conferred on an administrative receiver under the Insolvency Act 1986 whether it is an administrative receiver or not.
- (c) If there is more than one Receiver holding office at the same time, each Receiver may (unless the document appointing it states otherwise) exercise all of the powers

conferred on a Receiver under this deed individually and to the exclusion of any other Receiver.

- (d) Any exercise by a Receiver of any of the powers given by clause 11 may be on behalf of the Borrower, the directors of the Borrower or itself.

## **12. Delegation**

### **12.1 Delegation**

The Lender or any Receiver may delegate (either generally or specifically) by power of attorney or in any other manner to any person any right, power, authority or discretion conferred on it by this deed (including the power of attorney granted under clause 16.1).

### **12.2 Terms**

The Lender and each Receiver may make a delegation on the terms and conditions (including the power to sub-delegate) that it thinks fit.

### **12.3 Liability**

Neither the Lender nor any Receiver shall be in any way liable or responsible to the Borrower for any loss or liability arising from any act, default, omission or misconduct on the part of any Delegate.

## **13. Application of proceeds**

### **13.1 Order of application of proceeds**

All monies received or recovered by the Lender, a Receiver or a Delegate under this deed or in connection with the realisation or enforcement of all or part of, the security constituted by this deed (other than sums received pursuant to any Insurance Policy), shall (subject to the claims of any person having prior rights and by way of variation of the LPA 1925) be applied in the following order of priority (but without prejudice to the Lender's rights to recover any shortfall from the Borrower):

- (a) in or towards payment of all costs, liabilities, charges and expenses incurred by or on behalf of the Lender (and any Receiver, Delegate, attorney or agent appointed by it) under or in connection with this deed, and of all remuneration due to any Receiver under or in connection with this deed;
- (b) in or towards payment of the Secured Liabilities in any order and manner that the Lender determines; and
- (c) in payment of the surplus (if any) to the Borrower or other person entitled to it.

### **13.2 Appropriation**

Neither the Lender, any Receiver nor any Delegate shall be bound (whether by virtue of section 109(8) of the LPA 1925, which is varied accordingly, or otherwise) to pay or appropriate any receipt or payment first towards interest rather than principal or otherwise in any particular order between any of the Secured Liabilities.

**14. Costs**

The Borrower shall, within ten Business Days of demand, pay to, or reimburse, the Lender and any Receiver on a full indemnity basis, all reasonable costs, charges, expenses, taxes and liabilities of any kind (including, without limitation, legal, printing and out-of-pocket expenses) properly incurred by the Lender, any Receiver or any Delegate in connection with:

- (a) this deed or the Secured Assets;
- (b) taking, holding, protecting, perfecting, preserving or enforcing (or attempting to do so) any of the Lender's, a Receiver's or a Delegate's rights under this deed; or
- (c) taking proceedings for, or recovering, any of the Secured Liabilities.

**15. Further assurance**

The Borrower shall promptly, at its own expense, take whatever action the Lender or any Receiver may reasonably require for:

- (a) creating, perfecting or protecting the security intended to be created by this deed;
- (b) facilitating the realisation of any Secured Asset; or
- (c) facilitating the exercise of any right, power, authority or discretion exercisable by the Lender or any Receiver in respect of any Secured Asset.

**16. Power of attorney**

**16.1 Appointment of attorneys**

By way of security, the Borrower irrevocably appoints the Lender, every Receiver and every Delegate separately to be the attorney of the Borrower and, in its name, on its behalf and as its act and deed, to execute any documents and do any acts and things which:

- (a) the Borrower is required to execute and do under this deed; or
- (b) any attorney deems proper or desirable in exercising any of the rights, powers, authorities and discretions conferred by this deed or by law on the Lender, any Receiver or any Delegate.

**16.2 Ratification of acts of attorneys**

The Borrower ratifies and confirms, and agrees to ratify and confirm, anything that any of its attorneys may do in the proper and lawful exercise, or purported exercise, of all or any of the rights, powers, authorities and discretions referred to in clause 16.1.

**17. Release**

At the end of the Security Period, the Lender shall, at the request and cost of the Borrower, take whatever action is necessary to:

- (a) release the Secured Assets from the security constituted by this deed; and
- (b) reassign the Secured Assets to the Borrower.

**18. Assignment and transfer**

Neither party may assign any of its rights, or transfer any of its rights or obligations, under this deed.

**19. Amendments, waivers and consents**

**19.1 Amendments**

No amendment of this deed shall be effective unless it is in writing and signed by, or on behalf of, each party (or its authorised representative).

**19.2 Waivers and consents**

- (a) A waiver of any right or remedy under this deed or by law, or any consent given under this deed, is only effective if given in writing by the waiving or consenting party and shall not be deemed a waiver of any other breach or default.
- (b) A failure or delay by a party to exercise any right or remedy provided under this deed or by law shall not constitute a waiver of that or any other right or remedy, prevent or restrict any further exercise of that or any other right or remedy or constitute an election to affirm this deed. No single or partial exercise of any right or remedy provided under this deed or by law shall prevent or restrict the further exercise of that or any other right or remedy. No election to affirm this deed by the Lender shall be effective unless it is in writing.

**19.3 Rights and remedies**

The rights and remedies provided under this deed are cumulative and are in addition to, and not exclusive of, any rights and remedies provided by law.

**20. Severance**

**20.1 Severance**

If any provision (or part of a provision) of this deed is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision (or part of a provision) shall be deemed deleted. Any modification to or deletion of a provision (or part of a

provision) under this clause shall not affect the legality, validity and enforceability of the rest of this deed.

**21. Counterparts**

This deed may be executed in any number of counterparts, each of which when executed and delivered shall constitute a duplicate original, but all the counterparts shall together constitute one deed.

**22. Third party rights**

**22.1 Third party rights**

Except as expressly provided, a person who is not a party to this deed shall not have any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce, or enjoy the benefit of, any term of this deed. This does not affect any right or remedy of a third party which exists, or is available, apart from that Act.

**23. Further provisions**

**23.1 Independent security**

The security constituted by this deed shall be in addition to, and independent of, any other security or guarantee that the Lender may hold for any of the Secured Liabilities at any time. No prior security held by the Lender over the whole or any part of the Secured Assets shall merge in the security created by this deed.

**23.2 Continuing security**

The security constituted by this deed shall remain in full force and effect as a continuing security for the Secured Liabilities, despite any settlement of account, or intermediate payment, or other matter or thing, unless and until the Lender discharges this deed in writing.

**24.1 Delivery**
