B.FRANKLE & SONS LIMITED T/A FRANKLE TRIMMINGS – IN LIQUIDATION

REPORT OF THE JOINT LIQUIDATOR

24 APRIL 2017

1. INTRODUCTION

I, Richard Toone of CVR Global, together with my partner, Kevin Murphy, was appointed Joint Liquidator of the above Company on 11 March 2014.

In accordance with Section 104A of The Insolvency Act 1986 (as amended) I am pleased to present my report on the progress in the Liquidation. This report relates to the period from 11 March 2016 to 10 March 2017.

2. RECEIPTS AND PAYMENTS ACCOUNT

An abstract of the Joint Liquidators' Receipts and Payments Account ("R&P") for the period concerned is attached at Appendix A. This account is self-explanatory, however, I comment below on the material transactions on the R&P.

3. ASSET REALISATIONS

3.1 Bank Interest Gross

During the reporting period the sum of £1,458.18 has been realised in respect of bank interest gross.

3.2 Settlement

Creditors may recall from my previous report that the Joint Liquidators' investigations into the affairs of the Company and the conduct of the directors resulted in proceedings being issued against the directors. As these proceedings were afoot at the time of my last report, I was unable to provide further details to the creditors. I am pleased to report these proceedings have now been settled resulting in the sum of £2.8m being realised in the liquidation. Under the terms of the settlement agreed I am prohibited from disclosing the terms of settlement.

3.3 Contribution to Corporation Tax

Under the terms of the Settlement the Respondents were required to contribute a sum of £28,313.45 on account of the Corporation tax liability due on the Property. Please see Section 4.4 for further information below.

4. COSTS OF REALISATION

4.1 Legal Fees and Disbursements

As previously advised, Clyde & Co LLP were retained on a Conditional Fee Arrangement ("CFA") with an uplift of 50% of base costs, to assist with matters arising during the liquidation including the procedings issued. Their fees totalling £777,309.29 have been paid as shown on the R&P.

4.2 Counsel's fees

Counsel was also retained on a CFA basis with an agreed uplift of 50%. Their costs in the sum of £135,225.00 have been paid

4.3 ATE Insurance

As there were no funds in the estate, it was necessary to obtain After The Event insurance and a premium of £157,745.70 was paid in this respect.

4.4 Corporation Tax

As stated above, the Joint Liquidators' case was that the Respondent received legal title to the Property as constructive trustees and held the beneficial interest of the proceeds on trust for the Company acting by the Liquidators.

As such, the Company was deemed to be the taxable party in respect of the proceeds (being the quantum of the settlement sum of £2.8m) from the onward sale of the Property by the Respondents. The tax liability, including interest arising from the settlement sum was calculated as £426,361.07. This sum, including the contribution made by the Respondents as stated above, has been paid to HM Revenue & Customs.

5. JOINT LIQUIDATOR'S REMUNERATION AND DISBURSEMENTS

At the Meeting of Creditors held on 11 March 2014 creditors agreed that CVR Global LLP be paid £5,000 for assistance in preparing the Director's Statement of Affairs and convening the creditors' meeting. This fee was drawn during a previous period.

At the same meeting, the creditors also passed a resolution enabling me to draw my remuneration based on my firm's time costs, and to draw Category 2 disbursements.

However, creditors may recall that the basis of the Joint Liquidators remuneration was amended in July 2015 as follows:

Resolution 1

That the Joint Liquidators' time costs incurred up to 13 July 2015 totalling £49,671.50 be agreed on a time costs basis and these fees be paid from the estate as and when funds permit without any uplift. Disbursements may also be drawn in accordance with their standard procedures.

Resolution 2

That the Joint Liquidator's future costs be agreed on the basis of their time costs incurred in dealing with matters arising in the liquidation and be subject to an uplift of 50%.

A summary of the Liquidators' time costs, covering the period since my appointment and the period covered by this report, analysed by grade of staff, are attached at Appendix B.

In accordance with the Statement of Insolvency Practice 9 issued by the Association of Business Recovery Professionals and adopted by my professional licensing body, I advise that the overall time spent and charge out value during the period of the Liquidation, from 11 March 2014 to 10 March 2017 is 603.10 hours and £190,613.50 respectively. This equates to an average hourly charge out rate of £316.06.

In relation solely to the period covered by this report, I advise that the overall time spent and charge out value of that time is 272.80 hours and £104,188.00 respectively. This equates to an average hourly charge out rate of £381.92.

These figures do not include VAT.

To date, the Joint Liquidators have drawn fees in the sum of £256,956.50, of which £253,956.50 has been drawn during this reporting period.

The work undertaken as Joint Liquidator is derived from the responsibilities placed upon me by the underlying legal and regulatory framework for work of this nature. I have been assisted by the assignment manager and administrator, together with secretarial staff and cashiers. All personnel were charged directly to the assignment for all of the time relating to the case.

I believe this case to be of complex nature in that it involves complex investigations in respect of tax schemes engaged by the Company. The majority of the Joint Liquidators' time has been spent in relation to investigations in this regard.

Disbursements represent the reimbursement of actual out-of-pocket payments made on behalf of the assignment. These are outlined in the cost breakdown attached as outlined above.

6. CHARGE OUT RATES

In common with other professional firms, my charge out rates increase from time to time over the period of the administration of the case. I enclose an explanation of office holders' charging and disbursement recovery policies for your reference as Appendix 3.

A Creditors' Guide to Joint Liquidators' Fees, which provides information for creditors in relation to the remuneration of the Joint Liquidators, can be accessed at the website of the Association of Business Recovery Professionals at https://www.r3.org.uk/what-we-do/publications/professional/fees. Alternatively, I can provide you with a copy on written request to my office.

7. DIVIDEND PROSPECTS

7.1 Unsecured Creditors

To date, unsecured creditor claims totalling £2,963,616.39 have been received, of which the sum of £2,963,009.10 relates to a claim from HM Revenue & Customs.

A first and final dividend was declared on 2 March 2017 at the rate of 35.26 pence in the £, and the total sum of £1,045,000.00 was distributed.

8. INVESTIGATIONS

I have complied with my statutory duty in relation to the Directors conduct report which has been submitted to the Department for Business, Innovation and Skills, in accordance with the Company Directors Disqualification Act 1986.

9. RIGHT TO REQUEST FURTHER INFORMATION

I would draw your attention to Rule 4.49E and Rule 4.131 of the Insolvency Rules 1986 (as amended), the text of which is reproduced at Appendix 4. These Rules set out the circumstances under which creditors may request further information in relation to the Joint Liquidator's remuneration and expenses and their right to challenge the Joint Liquidator's remuneration and expenses.

10. CONCLUSION

Should you require any further information, in addition to that already given, please contact Camilla Watts at this office, on 020 3794 8735 or at cwatts@cvr.global.

Charge-out rates are normally reviewed annually when rates are adjusted to reflect such matters as inflation; increases in direct wage costs; and changes to indirect costs such as Professional Indemnity Insurance. It is the firm's policy for the cashier's time spent on an assignment to be charged to the case. However, secretarial and office admin support time is charged only in respect of identifiable blocks of time devoted to the case where we consider it to be viable to do so. All time is recorded in 6 minute units.

Direct expenses ("Category 1 Disbursements")

Category 1 disbursements as defined by SIP 9, which can be specifically identified as relating to the administration of the case, will be charged to the estate at cost, with no uplift. These include but are not limited to such items as advertising our appointment, meetings and requesting claims from creditors, storage in relation to the books and records of the company or individuals and the assignment records, online reporting facilities in relation to the uploading of documents and reports for creditors, bonding and other insurance premiums to protect the estate and its assets, and properly reimbursed expenses incurred by personnel in connection with the case.

Indirect expenses ("Category 2 Disbursements")

It is our normal practice to also charge the following indirect disbursements ("Category 2 Disbursements as defined by SIP 9) to the case, where appropriate:

Circulars to creditors

Plain/headed paper including photocopying	12p per side
Envelopes	12p each
Postage	Actual cost

Room Hire

For the convenience of creditors and to save the cost of booking an outside hotel room, meetings of creditors are occasionally held internally at our offices. Where meetings of creditors are held in one of our internal meeting rooms, a charge of £100 plus VAT may be levied to cover the cost of booking the room.

Travel

Mileage incurred as a result of any necessary travelling is charged to the estate at the H M Revenue & Customs approved rate, currently 40p per mile.

All of the above costs are subject to amendment by the firm at any time and if amended will be notified to creditors with the next circular sent to all creditors.

Company Searches & Electronic Verification of Identity

Included in expense and/or disbursements, Company Searches and electronic Verification of Identity include an element of shared costs. Such expenses are of an incidental nature but are generally incurred on each case. In line with the cost of the external provision of such services, a charge of £15 plus VAT is levied to cover the cost of these searches.

Work involved in the administration of the case

The main work involved relates to realisation of the assets of the company or individual, agreement of claims and payment of dividends or distributions to creditors and where possible members. As part of this work the office holder is required by statute and best practice to undertake work in providing reports, convening meetings and investigating the affairs of the company or indeed individual, prior to the commencement of the insolvency process.

In order to provide an explanation of the work involved by the office holder such work is broadly split into six categories, a narrative explanation of the work involved in each of these is provided below. The office holders' remuneration can be approved on a set fee, percentage or time cost basis, or indeed a combination of these. Where remuneration is requested on a time costs basis, creditors are provided with information regarding time intended to be spent in administering the insolvency process, and in some instances are provided with an overall estimate of the cost. Depending on the type and age of the case, creditors may be contacted to approve an increased estimated cost and will be provided with the reasons for the increase.

Administration and Planning

Work involved in this category relates mainly to routine and statutory functions. It does not necessarily provide financial benefit to creditors, but ensures that the case is managed and administered in accordance with legislation and in a professional manner. It includes but is not limited to the following areas: statutory and general notifications, advertising, filling of statutory forms, case management, cashiering requirements and management of estate funds, general tax and VAT matters, pension matters, general correspondence, case reviews, and reporting.

Investigation

The office holders are required to undertake an investigation in to the affairs of the company or individual prior to the commencement of the insolvency process. In the case of Creditors Voluntary Liquidations and Administrations an office holder is required to submit a report on the conduct of the Directors who were in office in the period three years prior to the commencement of the insolvency process, to the Insolvency Service, in accordance with legislation. Occasionally such investigations identify further potential asset recoveries.

Assets

This involves work in realising assets of the company or individual, which are known and stated in the statement of affairs. It may also include work involved in asset recoveries identified post appointment, which were either unknown or identified during the office holders' investigations.

Creditors

This involves work in dealing with creditor queries and correspondence, including reports and where funds permit agreeing creditor claims and provision of dividends to creditors. This may also involve assisting employees with the calculation of their statutory entitlements and agreeing subsequent claims of employees and of the redundancy payments service and payment of any dividend, should funds allow. The category may also include work in connection with secured creditors, including correspondence and reporting.

Tradina

In some instances it will be necessary to assist in the trading of a business post commencement of an insolvency process. Should this be necessary, detailed further information will be provided.

Case specific matters

This category includes areas of work of a specific nature and may include legal matters and preparation of tax returns and payment of tax liabilities.
