Statement of Accordance with Small Companies regime, and Audit not required

The directors confirm that financial statements have been prepared in accordance with the provisions applicable to entities subject to the small companies regime and in accordance with the provisions of FRS 102 Section 1A - small entities.

The directors confirm that the Company is entitled to exemption from audit under Section 477 of the Companies Act 2006 relating to small companies.

The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476. No audit has been obtained

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

The income statement and directors report have not been delivered to the Registrar of Companies in accordance with the special provisions applicable to companies subject to the small companies regime.

Notes to the financial statements

at 31 March 2019

1. General Information

P.H.E. Installations Limited is a Limited company incorporated in the United Kingdom and registered in England and Wales.

2. Basis of Preparation and Policies

The financial statements are prepared under the historical cost convention and in accordance with FRS 102 section 1A, the Financial Reporting Standard applicable in the UK and Republic of Ireland applicable to Smaller Entities.

After reviewing the company's forecasts and projections, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. The company therefore continues to adopt the going concern basis in preparing its financial statements.

Statement of Cash flows

Exempt from cash flow statement requirement : true

Accounting Policies

Turnover

Turnover represents revenue earned during the period, net of Value Added Tax.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Plant and machinery -- over a period of between 2 and 5 years straight line

Computer equipment -- over a period of 3 years straight line

Motor vehicles -- over a period of between 2 and 5 years straight line

The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

Intangible fixed assets and amortisation

Intangible assets acquired separately from a business are capitalised at cost. Intangible assets created within the business are not capitalised and expenditure is charged against profits in the year in which it is incurred.

Intangible assets are amortised on a straight line basis over their useful economic lives up to a maximum of 20 years. The carrying value of intangible assets is reviewed for impairment at the end of the first full year following acquisition and in other periods if events or changes in circumstance indicate that the carrying value may not be recoverable.

Stocks

Stocks are stated at the lower of cost and net realisable value after making due allowance for obsolete and slow moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads. Net realisable value is based on estimated selling price less any further costs expected to be incurred to completion and disposal.

Other

3. Operating Profit
