1 Accounting Policies

Basis of measurement and preparation of accounts

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention as modified by the revaluation of Freehold Property and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover policy

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts.

Tangible assets depreciation policy

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant and equipment - 10% reducing balance

Motor vehicles - 25% reducing balance

Valuation information and policy

As permitted by the transitional provisions of the Financial Reporting Standard for Smaller Entities (effective April 2008) the company has elected not to adopt a policy of revaluation of tangible fixed assets. The company will retain the book value of land and buildings, previously revalued at 1 June 1992 and will not update that valuation.
