In particular, all amounts due to that Chargor from the Bank or the third party and any Receivables re-assigned or due to be re-assigned to that Chargor will be subject to the relevant fixed charge detailed in Clause 3.2, subject only to any defences or rights of retention or set off which the Bank or the third party may have against that Chargor.

 - (g) serve any notice on any former tenant under any lease or tenancy (or any Chargor of that former tenant) which would entitle it to a new lease or tenancy,
- in respect of all or any part of its Land.

8.3 If a Chargor fails to comply with any of the undertakings in this Clause 8, the Bank (and its agents and contractors) shall be entitled to do such things as it considers are necessary or desirable to remedy such failure. Each Chargor shall immediately on request by the Bank pay the costs and expenses of the Bank (and its agents and contractors) incurred in connection with any action taken under this Clause 8.

9. **NEGATIVE PLEDGE**

9.1 No Chargor shall, without the prior written consent of the Bank:

- (a) create, agree to create or permit to exist any trust, interest or Security Interest (howsoever ranking in point of priority) of any nature whatsoever (including such as arises by operation of law or any enactment) in, over or affecting all or any part of its assets, rights or property; or
- (b) part with, grant or enter into a lease of, sell, transfer, assign or otherwise dispose of (including by way of declaration of trust) all or any part of its assets, rights or property or any interest in them or agree to do so.

9.2 Each Chargor undertakes to the Bank that, save as expressly permitted by the Bank in writing, it will not:

- (a) create any mortgage or any fixed or floating charge or other security over any of the Floating Charge Assets (whether having priority over, or ranking *pari passu* with or subject to, the floating charges created by this Deed); or
- (b) sell, transfer, part with or dispose of any of the Floating Charge Assets except by way of sale in the ordinary course of business.

10. PRESERVATION OF SECURITY

10.1 Ruling off

If the Bank receives notice of any subsequent interest or Security Interest affecting any Security Asset:

- (a) the Bank may open a new account or accounts of that Chargor and if the Bank does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received notice; and
- (b) all payments made by that Chargor to the Bank after the Bank receives such notice shall be credited or be treated as having been credited to the new account and in no circumstances whatsoever shall operate to reduce the amount due from that Chargor to the Bank at the time when it received the notice.

10.2 Release

If at any time the Secured Liabilities shall have been paid and discharged in full and the Bank shall be under no commitment, obligation or liability of any kind (present or future, actual or contingent), the Bank will at the request and cost of the Chargors re-assign the Security Assets to the Chargors or otherwise discharge the security constituted under this Deed.

10.3 Retention of Charges

Notwithstanding Clause 10.2:

- (a) if the Bank shall have reasonable grounds for believing that a Chargor may be insolvent or unable to pay its debts as and when they fall due or that the value of a Chargor's assets may be less than the amount of its liabilities taking into account its contingent and prospective liabilities or may be deemed for the purposes of any law to be insolvent or bankrupt, as at the date of any payment made by that Chargor to the Bank, the Bank shall be at liberty to retain the security contained in or created pursuant to this Deed until the expiry of a period of one month plus such statutory period within which any assurance, security, guarantee or payment can be avoided or invalidated;
- (b) the Bank shall be able to exercise its rights under paragraph (a) above notwithstanding (i) the payment and discharge in full of all Secured Liabilities or (ii) any release, settlement, discharge or arrangement that may be given or made by the Bank on, or as a consequence of, such payment or discharge of liability; and
- (c) if at any time within such period as is referred to in paragraph (a) above, any step or corporate action is taken in respect of a Chargor in relation to or with a view to any insolvency, administration, winding up or receivership proceedings or procedure as set out in Part 26 of the Companies Act 2006 or in the Insolvency Act 1986 or in relation to or with a view to any analogous proceedings or procedure in any jurisdiction the Bank shall be at liberty to continue to retain such security for such further period as the Bank may reasonably determine and such security shall be deemed to have continued to have been held as security for the payment and discharge to the Bank of all Secured Liabilities.

11. FURTHER ASSURANCES

11.1 Each Chargor shall on demand execute any document and do any other act or thing (in either case, at the expense of that Chargor) which the Bank may reasonably specify for protecting, preserving or perfecting any security created or intended to be created by this Deed or for facilitating the realisation thereof or otherwise for enforcing the same or exercising any of the powers, rights and discretions of the Bank under this Deed, including the execution of all releases, transfers, assignments and other documents and the giving of all notices, orders, instructions, directions and requests for any consents to enable the property to be charged which the Bank may reasonably request and each Chargor irrevocably and severally by way of security appoints the Bank (and any Receiver appointed under this Deed) as its attorney in its name and on its behalf to sign, execute and deliver all such documents and do any act or thing as the Bank may think fit.

11.2 Each Chargor by way of security irrevocably and severally appoints the Bank to be its attorney with full power of substitution, on its behalf and in its name or otherwise, at such time and in such manner as the attorney thinks fit:

- (a)** prior to service of a default notice or any demand for payment, to do anything which that Chargor is obliged to do under this Deed (but has not done);
- (b)** on and after service of a default notice or any demand for payment, to do anything which that Chargor is obliged to do under this Deed; and
- (c)** to take any action which is ancillary to the exercise of any of the rights conferred on the Bank in relation to any Security Asset or under this Deed or any other agreement with the Bank, the Law of Property Act 1925 or the Insolvency Act 1986,

and ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do or purport to do in the exercise or purported exercise of all or any of the powers, authorities and discretions referred to in this Clause 11.2.

12. ENFORCEMENT

12.1 On and after service of a default notice or any failure to pay any of the Secured Liabilities when they fall due, the Security Interests created by and under this Deed and any Accession Deed shall be immediately enforceable and the Bank, without prejudice to the powers conferred on it by virtue of the Law of Property Act 1925, shall be entitled to sell and/or dispose of all or any of the Security Assets. The Bank is authorised to transfer or otherwise dispose of any Security Asset and to give good discharge for any moneys received by the Bank in exercise of such power of sale and/or disposal.

12.2 If no default notice has been served on a Chargor, the Bank shall as soon as reasonably practicable after exercising any power of sale and/or disposal notify the Chargors of such exercise.

12.3 To the extent that the Security Interests created by this Deed constitute a "security financial collateral arrangement" and the Security Assets constitute "financial collateral" for the

purpose of the Financial Collateral Arrangements (No. 2) Regulations 2003 ("Regulations"), the Bank shall have the right on giving prior notice to a Chargor, at any time after the Security Interest becomes enforceable, to appropriate all or any part of the Security Assets in or towards discharge of the Secured Liabilities. The parties agree that the value of the appropriated Security Assets shall be, in the case of cash, the amount of cash appropriated and, in the case of Securities, determined by the Bank by reference to any publicly available market price in the absence of which by such other means as the Bank (acting reasonably) may select including, without limitation, an independent valuation. For the purpose of Regulation 18(1) of the Regulations, each Chargor agrees that any such determination by the Bank will constitute a valuation "in a commercially reasonable manner".

13. CONTINUING SECURITY

The security constituted by this Deed shall be continuing, is made for securing further advances and will extend to the ultimate balance of the Secured Liabilities, regardless of any intermediate payment or discharge in whole or in part.

14. INSURANCE

14.1 Each Chargor must insure all insurable Assets with an insurance office or underwriter acceptable to the Bank against loss or damage by fire and such other risks as the Bank may specify from time to time. This insurance cover must be for the full replacement value and be index-linked. Each Chargor must also maintain all other insurances normally maintained by prudent companies with similar activities to those of that Chargor or as the Bank may require.

14.2 Each Chargor must punctually make all premium and other payments necessary to effect or maintain these insurances and produce receipts for these payments at the request of the Bank. If, at any time, a Chargor fails to have the required insurance cover in place or to produce any receipt on request or to deposit any policy with the Bank under Clause 4 (*Delivery of Documents of Title and Registration*) or on request, the Bank may take out or renew any insurance in any sum and on any terms the Bank thinks appropriate and recover the costs of doing so from that Chargor.

15. ADMINISTRATOR

15.1 At any time and from time to time after this security becomes enforceable, or if a Chargor so requests the Bank in writing from time to time, the Bank may appoint any one or more qualified persons to be an administrator of any Chargor, to act together or independently of the other or others appointed (to the extent applicable).

15.2 Any such appointment may be made pursuant to an application to court under paragraph 12 of Schedule B1 of the Insolvency Act 1986 (Administration application) or by filing specified documents with the court under paragraphs 14 to 21 (inclusive) of Schedule B1 of the Insolvency Act 1986.

16. **RECEIVER**

16.1 **Appointment of Receiver**

If at any time there is more than one Receiver in respect of all or any part of the Security Assets, each such Receiver may (unless otherwise stated in any document appointing that Receiver) exercise all of the powers conferred on a Receiver under this Deed or under the Insolvency Act 1986 individually and to the exclusion of each other Receiver.

- (ix) **Leases, etc.:** to grant or agree to grant any leases whatsoever and let on charter, sub-charter, hire, lease or sell on condition and to grant rights, options, licences or easements over all or any part of the Security Assets for such term and at such rent (with or without a premium) as the Receiver may think proper and to rescind, surrender and accept or agree to accept a surrender of any lease or tenancy of such Security Assets or agree to any variation of any such contract affecting all or any part of the Security Assets on such terms as the Receiver may think fit (including the payment of money to a lessee or tenant on a surrender or any rent review);

- (x) **Uncalled capital:** to call up or require the directors or members (as applicable) of a Chargor to call up all or any portion of the uncalled capital for the time being of a Chargor and to enforce payment of any call by action (in the name of that Chargor or the Receiver, as may be thought fit by the Receiver);
- (xi) **Compromise:** to negotiate, settle, adjust, refer to arbitration, compromise, abandon and arrange any claims, accounts, disputes, questions and demands with or by any person who is or claims to be a creditor of a Chargor or relating in any way to the Security Assets or any part of them;

and to use the name of the relevant Chargor for all or any of such purposes.

16.3 Removal

The Bank may from time to time by writing remove any Receiver appointed by it (subject to the provisions of section 45 of the Insolvency Act 1986) and may, whenever it may deem it expedient, appoint a new Receiver in the place of any Receiver whose appointment may for any reason have terminated.

16.4 Remuneration

- (a) The Bank may from time to time, fix the remuneration of any Receiver appointed by it (which remuneration may be or include a commission calculated by reference to the gross amount

of all moneys received or otherwise and may include remuneration in connection with claims, actions or proceedings made or brought against the Receiver by a Chargor or any other person or the performance or discharge of any obligation imposed upon the Receiver by statute or otherwise) but such remuneration shall be payable by that Chargor alone, and sections 109(6) and (8) of the Law of Property Act 1925 shall not apply in relation to any Receiver appointed under this Deed.

- (b) The amount of such remuneration may be debited by the Bank to any account of the relevant Chargor, but shall, in any event, form part of the Secured Liabilities and accordingly be secured on the Security Assets under the security contained in this Deed.

16.5 Extent of appointment

The exclusion of any Security Assets from the appointment of the Receiver shall not preclude the Bank from subsequently extending the Receiver's or Receivers' appointment (or that of their replacement) to that part or appointing another Receiver over any other part of the Security Assets.

16.6 No liability as mortgagee in possession

The Bank shall not, nor shall any Receiver appointed as aforesaid, by reason of it or the Receiver entering into possession of the Security Assets or any part of them, be liable to account as mortgagee in possession or be liable for any loss on realisation or for any default or omission for which a mortgagee in possession might be liable.

16.7 Agent of Chargor

- (a) Every Receiver of a Chargor duly appointed by the Bank under the powers in that respect contained in this Deed shall be deemed to be the agent of that Chargor for all purposes and shall as such agent for all purposes be deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Law of Property Act 1925.
- (b) Each Chargor alone shall be responsible for the contracts, engagements, acts, omissions, defaults and losses of the Receiver and for liabilities incurred by the Receiver and the Bank shall not incur any liability for them by reason of the Bank appointing such Receiver or for any other reason whatsoever.

16.8 Bank may exercise

To the fullest extent permitted by law, all or any of the powers, authorities and discretions which are conferred by this Deed (either expressly or impliedly) upon a Receiver of the Security Assets may be exercised after the security created under this Deed becomes enforceable by the Bank in relation to the whole of such Security Assets or any part of them without first appointing a Receiver of such property or any part of it or notwithstanding the appointment of a Receiver of such property or any part of it.

17. CHANGE TO CHARGORS

(a) Each Chargor (other than the Agent) by its execution of this Deed irrevocably appoints the Agent (acting through one or more authorised signatories) to act on its behalf as its agent and irrevocably authorises:

- (i) the Agent on its behalf to supply all information concerning itself contemplated by this Deed to the Bank and to execute on its behalf any Accession Deed or other deed or agreement notwithstanding that they may affect that Chargor, without further reference to or the consent of that Chargor; and
- (ii) the Bank to give any notice, demand or other communication to that Chargor to the Agent,

and in each case the Chargor shall be bound as though the Chargor itself had given the notices and instructions or executed or made the agreements or deeds.

18.2 Each Chargor shall on demand pay to or fully indemnify the Bank, any receiver or other nominee on an after-tax basis against all losses, actions, claims, costs (including legal costs), expenses, proceedings, liabilities and expenditure which the Bank may suffer, pay or incur, acting reasonably, in connection with any payment or discharge in respect of the Secured

18.3 Where, pursuant to Clauses 18.1 or 18.2 above, a sum is paid to the Bank, the relevant Chargor shall, in addition, pay to the Bank in respect of value added tax:

(a) (except where the payment falls within Clause 18.3(b) below), such amount as equals any value added tax charged to the Bank in respect of the matter which gives rise to the payment and which the Bank certifies is not recoverable by it by repayment or credit (such certificate to be conclusive in the absence of manifest error); and

(b) on any reimbursement of or indemnification for any commissions, costs, charges, expenses or other items incurred by the Bank as agent for that Chargor, such amount as equals the amount included in the commissions, costs, charges, expenses or other items in respect of value added tax (and in such a case the Bank shall provide that Chargor with an appropriate tax invoice in respect of such item, naming that Chargor as recipient of the relevant supply).

19.1 The Bank may at any time and from time to time without notice (but shall not be obliged to) set off any obligation which is due and payable by a Chargor to the Bank and/or any other member of the Barclays Group and is unpaid against any obligation (whether or not matured) owed by the Bank and/or any other member of the Barclays Group to a Chargor, regardless of the place of payment, booking branch or currency of either obligation.

19.2 If the obligations are in different currencies, the Bank may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set off and if when converted it leaves the Bank with less than the amount due the relevant Chargor must make good the amount of the shortfall on demand.

19.3 The Bank may in its absolute discretion estimate the amount of any liability of a Chargor which is contingent or unascertained and thereafter set off such estimated amount and no amount shall be payable by the Bank to any Chargor unless and until all Secured Liabilities have been ascertained and fully repaid or discharged.

No delay or omission on the part of the Bank in exercising any right, power or privilege under this Deed will impair it or be construed as a waiver of it. SCHEDULE 3 – TERMS OF THE GUARANTEE

- 1 The liability of each Chargor shall not be discharged or impaired in any way (i) by reason of the invalidity, avoidability, voidability or unenforceability as regards any other of those persons or entities to this Deed or (ii) by the Bank releasing, discharging, compounding with or varying the liability hereunder of, or making any other arrangement with, any other of those persons or entities or (iii) any change in the constitution of any other of those persons or entities.
- 2 The guarantee constituted by this Deed shall be a continuing guarantee and shall extend to the ultimate balance of the Secured Liabilities and to the performance in full of any and all obligations guaranteed under this Deed, regardless of any intermediate payment or discharge in whole or in part.
- 3 If this Deed ceases to continue in force, the Bank may open a new account, or continue any existing account, for each Chargor and the liability of the Chargor in respect of the Secured Liabilities at the date on which this Deed ceases shall remain regardless of any payments in or out of any such account.
- 4 If any discharge, release or arrangement (whether in respect of the obligations of any Chargor or any Security for those obligations or otherwise) is made by the Bank in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or analogous procedure or otherwise, without limitation, then the liability of each Chargor under this Deed will continue or be reinstated as if the discharge, release or arrangement had not occurred.
- 5 The guarantee constituted by this Deed may be discontinued and the liability under it crystallised at the expiration of three months after receipt by the Bank from a Chargor of notice in writing to discontinue it. The amounts payable on crystallisation will include:

 - (a) all commitments of any Chargor that may become actual liabilities in the future;
 - (b) all liabilities of any Chargor incurred during the Notice Period; and
 - (c) any interest, fees and other charges which any Chargor owes the Bank at the end of the Notice Period but which are not actually charged to any Chargor's account until later.
- 6 If any discharge, release or arrangement (whether in respect of the obligations of any Chargor or any Security for those obligations or otherwise) is made by the Bank in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or analogous procedure or otherwise, without limitation, then the liability of each Chargor under this Deed will continue or be reinstated as if the discharge, release or arrangement had not occurred.
- 7 None of the liabilities or obligations of each Chargor under the guarantee constituted by this Deed shall be impaired by the Bank:

- (a) agreeing any amendment, variation, restatement, assignment, novation or departure (however substantial or material) of, to or from any document so that any such amendment, variation, restatement, assignment, novation or departure (including any which may have been made before the signing of this Deed) shall, whatever its nature, be binding upon each Chargor in all circumstances, notwithstanding that it may increase or otherwise affect the liability of each Chargor;
 - (b) releasing or granting any time or any indulgence of any (including, without limitation, the waiver of any preconditions for drawing under, or of any breach of, any document), or entering into any transaction or arrangements whatsoever with or in relation to each Chargor and/or any third party;
 - (c) taking, accepting, varying, dealing with, enforcing, abstaining from enforcing, surrendering or releasing any security, right of recourse, set off or combination or other right or interest held by the Bank for the Secured Liabilities and any other obligations guaranteed under this Deed in such manner as the Bank thinks fit;
 - (d) claiming, proving for, accepting or transferring any payment in respect of the Secured Liabilities and any other obligations guaranteed under this Deed in any composition by, or winding up of, any principal obligor and/or any third party or abstaining from so claiming, proving for, accepting or transferring; or
 - (e) amalgamating with any other company or person whether the new company thus formed shall or shall not differ in its name, objects, character and constitution from the Bank, it being the intent that this Deed shall remain valid and effectual in all respects and for all purposes in favour of and with reference to any such new company when formed, and may be proceeded on and enforced in the same manner to all intents and purposes as if such new company had been expressly named in and referred to herein instead of the Bank.
- 8 Each Chargor expressly confirms that it intends that the guarantee constituted by this Deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of documents and/or any facility or amount made available under any of the documents including, without limitation, any variation or extension of the purposes for which any facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with the foregoing.
- 9 All amounts payable under the guarantee constituted by this Deed shall be made in full without any deduction or withholding whatsoever (whether in respect of set off, counterclaim, duties, taxes, charges or otherwise) unless such deduction or withholding is required by law, in which event the Chargor shall pay the Bank an additional amount so that the net amount received by the Bank will equal the full amount which the Bank would have received had no such deduction or withholding been made.
- 10 The guarantee constituted by this Deed is to be in addition to and is not to prejudice or be prejudiced by any other guarantee or security (including any other guarantee signed by the

Chargor which the Bank may hold now or in the future). The Chargor will remain liable under the guarantee constituted by this Deed whether or not any other guarantee or security is valid and enforceable or continues in force.

- 11 If the Bank receives any payment or security from a Chargor, or any other person and the Bank is later ordered under insolvency laws to restore the position to what it would have been had it not received that payment or security, the Chargor will be liable as if the Bank had never received the payment or security.
- 12 The Bank may at any time and for such time as it thinks fit place and keep any amounts received, recovered or realised under the guarantee constituted by this Deed or under such other guarantee or security, to the credit of an account of a Chargor or of such other person (if any) as the Bank thinks fit (without liability to pay interest thereon), and the Bank is not obliged to apply any amount so received in or towards the discharge of the Secured Liabilities.
