The designated reserve is a sinking fund established to provide funds to maintain the flat roofs funded at the rate of £4,800 a year to 2023 and £7,000 a year thereafter. One of the five roofs was re-roofed in 2020 and two during 2023. At the current rate of funding the reserve should be sufficient to provide for the costs to the next re-roofing works for the remaining two blocks anticipated in 2024 or 2025 at an estimated cost of approximately £31,000.

The non-designated reserve is a general reserve established to provide funds to meet unexpected future expenses without the need to issue supplementary charges. The directors consider that this fund should be held at a level equal to approximately two years of service charge income.
