### Notes to the financial statements

#### at 31 March 2018

#### 1. General Information

Compton Road Management Company Limited is a limited company incorporated in the United Kingdom and registered in England.

#### 2. Basis of Preparation and Policies

The financial statements are prepared under the historical cost convention and in accordance with FRS 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland applicable to Smaller Entities.

After reviewing the company's forecasts and projections, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. The company therefore continues to adopt the going concern basis in preparing its financial statements.

#### Statement of Cash flows

Exempt from eash flow statement requirement: true

#### **Accounting Policies**

#### Turnover

Turnover represents revenue earned during the period, net of Value Added Tax.

#### Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Plant and machinery -- over a period of between 2 and 5 years straight line

Computer equipment -- over a period of 3 years straight line

Motor vehicles -- over a period of between 2 and 5 years straight line

The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

#### Intangible fixed assets and amortisation

Intangible assets acquired separately from a business are capitalised at cost Intangible assets created within the business are not capitalised and expenditure is charged against profits in the year in which it is incurred.

Intangible assets are amortised on a straight line basis over their useful economic lives up to a maximum of 20 years. The carrying value of intangible assets is reviewed for impairment at the end of the first full year following acquisition and in other periods if events or changes in circumstance indicate that the carrying value may not be recoverable.

#### Stocks

Stocks are stated at the lower of cost and net realisable value after making due allowance for obsolete and slow moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads. Net realisable value is based on estimated selling price less any further costs expected to be incurred to completion and disposal.
