Notes to the Abbreviated Accounts
for the Year Ended 31 March 2016

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Subscription income is recognised by reference to the number of months covered by the subscription falling before the accounting date. The balance of the subscription is included in creditors either due within one year or after one year as appropriate. The Company records advertising income on the publication date.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 1997, is being amortised evenly over its remaining estimated life.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 25% on reducing balance
Fixtures and fittings	- 25% on reducing balance
Motor vehicles	- 25% on reducing balance

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account as incurred.

Pensions

Contributions in respect of the company's defined contribution personal pension scheme are charged to the profit and loss account for the year in which they are payable to the scheme.
