1. **STATUTORY INFORMATION**

PEAKQUOTE LIMITED is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. **ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Deferred taxation**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**Investment property**

Investment property is shown at its most recent valuation which is provided by the Directors, who have many years of experience in the local property market and whose valuation would be as accurate as any third party. Any aggregate surplus or deficit arising from changes in fair value is recognised in profit or loss of property.

**Disposal of investment properties**

The surplus or deficit of investment properties will be disclosed in the profit and loss account in the year of sale. The previously unrealised difference between historical cost and the revaluation figure is disclosed in note 5 to the financial statements (fixed assets).

3. **EMPLOYEES AND DIRECTORS**

The average number of employees during the year was 1 (2022 - 1).
