ACCOUNTING POLICIES

The principal accounting policies which have been adopted in the preparation of the financial statements were :-

Basis of accounting

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

Turnover

Turnover represents the total amount receivable for goods supplied or for services provided excluding value added tax.

Depreciation

Depreciation is calculated to write down the cost or valuation, less estimated residual value, of fixed assets over their estimated useful lives. The rates or periods generally applicable are :-

Motor vehicles	25%
Fixtures and fittings	15%
Goodwill	10%

Operating leases

The annual rentals payable under operating leases are charged to the profit and loss account when the expense is incurred.

Pensions

The company operates a defined contribution pension scheme. Contributions payable for the year are charged in the profit and loss account.

Foreign currencies

Transactions expressed in foreign currencies are translated into sterling and recorded at rates of exchange approximating to those ruling at the date of the transaction. Monetary assets and liabilities are translated at rates ruling at the balance sheet date. Exchange differences are dealt with through the profit and loss account.
