Independent auditors' report to Willow Securities Limited under section 449 of the Companies Act 2006

We have examined the abbreviated accounts set out on pages 2 to 5, together with the financial statements of Willow Securities Limited for the year ended 31 December 2011 prepared under section 396 of the Companies Act 2006

This report is made solely to the company in accordance with section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts are properly prepared.

Opinion on financial statements

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with section 444(3) of the Companies Act 2006, and the abbreviated accounts on pages 2 to 5 have been properly prepared in accordance with the regulations made under that section.

The notes on pages 3 to 5 form part of these financial statements

Willow Securities Limited

Notes to the abbreviated accounts for the year ended 31 December 2011

1. Accounting policies

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention as modified by the revaluation of freehold and leasehold properties and in accordance with applicable accounting standards

1.2 Cash flow

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company

1.3 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts

1.4 Investments

Investments held as fixed assets are shown at cost less provision for impairment

1.5 Investment properties

In accordance with Statement of Standard Accounting Practice No 19, the company's properties are held for long-term investment and are included in the Balance Sheet at their open market values. The surplus or deficit on revaluation of such properties is transferred to the investment property revaluation reserve. Depreciation is not provided in respect of investment properties.

This policy represents a departure from the statutory accounting principles, which require depreciation to be provided on all fixed assets. The directors consider that this policy is necessary in order that the accounts may give a true and fair view because current values and changes in current values are of prime importance rather than the calculation of systematic annual depreciation. Depreciation is only one of many factors reflected in the valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.

1.6 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Full provision for deferred tax arising in relation to the revaluation of freehold properties is also included within the financial statements, as a deduction from the revaluation reserve. Whilst this does not conform with the requirements of FRS 19, the inclusion of such a material provision is deemed to be necessary, in order that the financial statements may provide a more true and fair view of the company's state of affairs.
