**STRATEGIC REPORT
FOR THE YEAR ENDED 30 JUNE 2017**

The directors present their strategic report for the year ended 30 June 2017.

REVIEW OF BUSINESS

In the current 12 month period and the corresponding 9 month prior period, the company delivered a profit before tax of £1,487k (2016: £1,162k).

PRINCIPAL RISKS AND UNCERTAINTIES

The directors acknowledge that, whilst the function of the company is to account for group costs, it faces the same risks as the group as a whole and supports the group in mitigating these risks through comprehensive risk management procedures.

The principal risks and uncertainties affecting the business include the following:

- The nature of the customer contracts;
- The nature and quality of its suppliers, partners, and subcontractors used in the performance of those contracts; and
- The regulatory framework under which it operates.

The business' principal financial instruments comprise bank balances, trade debtors and trade creditors. The main purpose of these instruments is to finance business operations.

In respect of the bank balances, the liquidity risk is managed by maintaining a balance between the continuity of funding and flexibility through the use of bank and other facilities. All the business' cash balances are held in such a way that achieves a competitive rate of interest.

Trade debtors are managed in respect of credit and cash flow risk by the regular monitoring of amounts outstanding. The amount presented in the balance sheet is net of allowances for doubtful debtors.

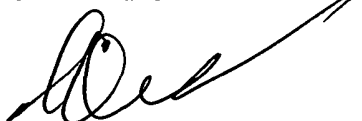

Trade creditors' liquidity risk is managed by ensuring funds are available to meet the amounts due.

KEY PERFORMANCE INDICATORS

In the year, the business generated:

- Turnover of £11,879k (2016: £9,173k)
- Profit before tax of £1,487k (2016: £1,162k)
- Profit after tax of £1,200k (2016: £985k)

FMG SUPPORT (RRRM) LIMITED

STATEMENT OF DIRECTORS' RESPONSIBILITIES FOR THE YEAR ENDED 30 JUNE 2017

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
FMG SUPPORT (RRRM) LIMITED**

Opinion

We have audited the financial statements of FMG Support (RRRM) Limited ("the company") for the year ended 30 June 2017 which comprise the Statement of Comprehensive Income, Balance Sheet, Statement of Changes in Equity and related notes, including the accounting policies in note 2.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard.

We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least twelve months from the date of approval of the financial statements.

We have nothing to report in these respects.

Directors' report

The directors are responsible for the strategic report and the directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the strategic report and the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge.

Based solely on that work:

- we have not identified material misstatements in the strategic report and the directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in their statement set out on page 4, the directors are responsible for:

The preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
FMG SUPPORT (RRRM) LIMITED**

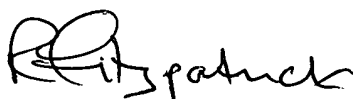

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

FMG SUPPORT (RRRM) LIMITED

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 30 JUNE 2017**

6. TAXATION - continued

Reconciliation of total tax charge included in profit and loss

The tax assessed for the year is lower than the standard rate of corporation tax in the UK. The difference is explained below:

	Year Ended 30.6.17 £'000	Period 1.10.15 to 30.6.16 £'000
Profit before tax	1,487	1,162
Profit multiplied by the standard rate of corporation tax in the UK of 19.750% (2016 - 20%)	294	232
Effects of:		
Adjustments to tax charge in respect of previous periods	(7)	-
Group losses not paid for	-	(55)
Total tax charge	287	177

The weighted average tax rate of 19.75% (2016: 20%) reflects the reduction in the UK corporation tax rate from 20% to 19% effective from 1 April 2017. A further reduction to 17% (effective from 1 April 2020) was enacted in the 2016 Finance Act. This will reduce the company's future underlying current tax charge accordingly.
