Notes to the Abbreviated Accounts for the period ended 30 June 2014**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Other accounting policies**Deferred taxation**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the following exceptions: Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Going concern

The financial statements have not been prepared on a going concern basis. As reflected within these financial statements, the company has not traded and therefore has no profit or loss to report (2013: £150) with a deficiency of assets amounting to £50,201 (2013: £50,201)

The company ceased trading on 31 July 2012, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) the financial statements have not been prepared on the going concern basis.

Ultimate parent undertaking

The company is a wholly owned subsidiary of Anglia Holdings Limited, a company registered in England & Wales.
