NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 DECEMBER 2018

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Lynton House, 7 - 12 Tavistock Square, London, WC1H 9BQ.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102.

- (a) Disclosures in respect of each class of share capital have not been presented.
- (b) No cash flow statement has been presented for the company.
- (c) Disclosures in respect of financial instruments have not been presented.
- (d) Disclosures in respect of share-based payments have not been presented.
- (e) No disclosure has been given for the aggregate remuneration of key management personnel.

Income statement

The company is dormant as defined by section 1169 of the Companies Act 2006. The company received no income and incurred no expenditure during the current year or prior year and therefore no income statement is presented within these financial statements. There have been no movements in shareholders deficit during the current year or prior year.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
