Notes to the financial statements

Year ended 31 March 2020

1. Principal accounting policies

The accounting policies have been applied consistently throughout the current and preceding year in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards.

Transition to FRS 102

As the company meets the definition of a dormant company, it has elected to retain its accounting policies for reported assets, liabilities and equity at the date of transition to FRS 102 until there is any change to these balances or the company undertakes any new transactions, as permitted under FRS 102.

Critical accounting judgements and key sources of estimation uncertainty

There are no critical accounting judgments or key sources of estimation uncertainty.

2. Profit and loss account

During the current and preceding financial year the company did not trade and received no income and incurred no expenditure. Consequently, during those years the company made neither a profit nor a loss.
