ALPORT MANAGEMENT SERVICES LIMITED
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 MARCH 2019

1 Statutory information

Alport Management Services Limited is a private company, limited by shares, registered in England and Wales, registration number 03020886. The registered office is 5 Field End, Maresfield, Uckfield, East Sussex, TN22 2DJ.

2 Compliance with accounting standards

The accounts have been prepared in accordance with the provisions of FRS 102 Section 1A Small Entities. There were no material departures from that standard.

3 Accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

Basis of preparation

The accounts have been prepared under the historical cost convention.

Presentation currency

The accounts are presented in £ sterling.

Turnover

Turnover represents the value, net of VAT and discounts, of work carried out in respect of services provided to customers.

Tangible fixed assets policy

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives:

Computer equipment	15% per annum on the reducing balance method
--------------------	--

Foreign currencies

Monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rates of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Deferred taxation

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Deferred tax assets and liabilities are not discounted.
