Notes to the Abbreviated Accounts

For the year ending 31 March 2015

1 Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain fixed assets, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Work in progress

Work in progress is valued on the basis of direct costs plus attributable overheads based on normal level of activity. Provision is made for any foreseeable losses where appropriate. No element of profit is included in the valuation of work in progress.

Hire purchase agreements

Assets held under hire purchase agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payments is treated as a liability and the interest is charged to the profit and loss account on a straight line basis.

Pension costs

The company contributes to the personal pension scheme of certain employees. The assets of the scheme are held separately from those of the company. The contributions payable are charged to the Profit and Loss account. No pension contributions were outstanding as at 31 March 2014.

Fixed Assets

All fixed assets are initially recorded at cost.

Freehold Property

The freehold property is stated at directors open market valuation as at balance sheet date.

Deferred Tax

No provision has been made for tax on the revaluation of the freehold property as there is no intention to sell the property.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over

their estimated useful lives.
