Review Period Period covered by the report from 11 July 2020 to 25

November 2020

1 INTRODUCTION

This report has been prepared to provide creditors with an update on the progress of the Administration of the Company since our last report dated 10 August 2020.

Please be aware that on 1 August 2020, Quantuma LLP transferred its business to Quantuma Advisory Limited.

A schedule of statutory information in respect of the Company is attached at Appendix I.

The report has been prepared in accordance with insolvency legislation to provide members and creditors, the Registrar of Companies and the Court with details of the progress made during the Review Period.

The Joint Administrators' proposals were deemed approved on 15 March 2018. A formal notice confirming this was sent to all creditors on 21 March 2018. Attached at Appendix II is a summary of the Joint Administrators Proposals, as approved.

The Administration was scheduled to end on 10 January 2019 but the term of the Administration was originally extended by 12 months with the consent of the relevant creditors. A further extension of 12 months was granted by the Court on 6 January 2020 and thus the Administration was scheduled to end on 10 January 2021.

In order to bring the Administration to an end, the Joint Administrators are to apply to Court to end the Administration via Compulsory Liquidation ("WUC") and to simultaneously petition, under Section 140(1) of the Insolvency Act 1986, for the winding-up of the Company and for the appointment of the current Joint Administrators as Joint Liquidators of the Company.

Details of the appointment of the Joint Administrators

Andrew Andronikou and Andrew Hosking of Quantuma Advisory Limited were appointed Joint Administrators of the Company on 11 January 2018.

The Joint Administrators confirm that they are authorised to carry out all functions, duties and powers by either one or both of them.

2 THE PROGRESS OF THE ADMINISTRATION

The **Joint Administrators'** final receipts and payments account

Attached at Appendix III is a receipts and payments account covering the period from 11 July 2020 to 25 November 2020, together with a summary of the transactions in the previous review periods.

In this section, we have summarised the main asset realisations during the Review Period and in the Administration as a whole, together with details of the associated costs incurred. For a detailed list of work undertaken by the Joint Administrators as a whole, see Appendix V.

VAT Basis

Receipts and payments are shown net of VAT, with any amount due to or from HM Revenue and Customs shown separately. The sum of £22,337.01 is due to the Company.

Administration (including statutory reporting)

The Joint Administrators have met a considerable number of statutory and regulatory obligations. Whilst many of these tasks have not had a direct benefit in enhancing realisations for the insolvent estate, they have assisted in the efficient and compliant progressing of the administration, which has ensured that the Joint Administrators and their staff have carried out their work to high professional standards.

During the Review Period, primarily these tasks have included:

- Considering which exit route from Administration is appropriate and drafting this final report;
- Consulting with and instructing staff and independent advisers as regards practical, technical and legal aspects of the case to ensure efficient progress;
- Maintaining case files, which must include records to show and explain the administration and any decisions made by the Joint Administrators that materially affect the administration;
- · Monitoring and maintaining an adequate statutory bond;
- Conducting periodic case reviews to ensure that the administration is progressing efficiently, effectively and in line with the statutory requirements;
- Maintaining and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments; and
- Completing periodic tax returns.

Realisation of assets

Investments

The Joint Administrators were aware that the Company had issued property investment loans to various companies globally. Following further investigation £2,631,524 has been realised to date and further realisations in future are uncertain. Further commentary on these realisations are detailed below:

Loan to Millhouse Group

The Company previously provided a property loan to the Millhouse Group. After reconciling their accounts, DWF Law identified a remaining balance of £96.80 being due to the Company. Accordingly, this sum was reimbursed to the Company during the Review Period. There are no further realisations expected in this regard.

Bank Interest

During the Review Period, the sum of £124.86 has been received in respect of bank interest. This brings the total bank interest received to £2,455.12.

Estimated future realisations

Investments

Following the earlier recoveries of a portion of the Company's investments (detailed above), the Joint Administrators anticipate the possibility of future realisations in respect of the Company's outstanding investments. The value of such further realisations is currently uncertain, however will continue to be reviewed by the proposed Joint Liquidators in the WUC – alongside SBP Solicitors – in order to identify and realise the outstanding amounts.

Costs incurred but remaining unpaid

During the Review Period, the Joint Administrators have also incurred time-costs and direct expenses, not all of which have yet been discharged. Further details of these costs are set out in section 6 below.

3 CREDITORS: CLAIMS AND DISTRIBUTIONS

Secured creditors

The Company granted security to the following creditors:

Type of Security	Charge-holder	Date of Creation of Security	Indebtedness at appointment
2 x Debentures comprising fixed and floating charges	AIGO Holdings PCC on behalf of the AIGO Commercial Property Fund ("AIGO")	23 April 2015	£23,085,820
Debenture comprising fixed charge over property at Cheyne Gardens	comprising fixed arge over property Saving Stream Security Holding Ltd		£2,340,000

Lendy was repaid in full from the proceeds of the sale of the property at Cheyne Gardens and its charge was satisfied on 16 February 2018.

It is not anticipated that AIGO's security will be discharged in full. Nevertheless, the sum of £1,750,000 has been distributed to AIGO under its floating charge to date. It is proposed that a further floating charge distribution will be paid to AIGO prior to the Company being wound-up via the Court, however the quantum of this distribution is yet to be confirmed.

Preferential creditors

There are no known preferential creditors of the Company.

Prescribed Part

The receipts and payments account at Appendix III states the amount paid to unsecured creditors by virtue of the application of the prescribed part.

Unsecured creditors

Unsecured claims were estimated at £14,217.00 in the Joint Administrators' Estimated Financial Statements and to date 5 claims have been received from unsecured creditors totalling £9,006.79.

As detailed above, a 100p in the £ distribution was paid to unsecured creditors during the Review Period under the Prescribed Part provisions.

4 INVESTIGATIONS

Investigations

As part of the Joint Administrators' statutory duties, an investigation into the conduct of the Company Directors was completed.

In this regard, a confidential report was submitted to The Insolvency Service on 10 April 2018.

The Joint Administrators continue to action their investigations following the completion of their initial review into whether there were any matters which may lead to any recoveries for the benefit of creditors. These will continue when the Company has been wound-up via Compulsory Liquidation. As to not prejudice any ongoing investigations, it is not proposed that any considerable detail will be disclosed within this report, however should creditors have any information in relation to the above which you feel we should be made aware of then please contact us as a matter of urgency.

5 ETHICS

Please also be advised that Joint Administrator is bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment.

General ethical considerations

Prior to the Joint Administrators' appointment, a review of ethical issues was undertaken and no ethical threats were identified. A further review has been carried out and it was identified that the Joint Administrators have since been appointed as Joint Administrators / Joint Liquidators over the following companies:

Company	Process	Joint Administrators / Joint Liquidators
White & Co Property Partners Limited	In Administration	Andrew Andronikou & Andrew Hosking
Montgomery Finance Limited	In Administration	Andrew Andronikou & Andrew Hosking
Allenby Commercial Property Plc	In Liquidation	Andrew Andronikou & Michael Kiely
Allenbrooke Plc	In Liquidation	Andrew Andronikou & Michael Kiely
Lambert Perrin Liquidity Plc	In Liquidation	Andrew Andronikou & Michael Kiely
Apollo Commercial Property Plc	In Liquidation	Andrew Andronikou & Michael Kiely
Marlborough Equity Plc	In Liquidation	Andrew Andronikou & Michael Kiely
Ballarat Property Pic	In Liquidation	Andrew Andronikou & Michael Kiely

Although this represents a familiarity threat, the Joint Administrators considered this to be necessary due to the knowledge held in respect of the complicated related-party structure – this knowledge is deemed to be essential in order to investigate the money flows between group companies and investment projects, which is vital in order to identify and recover the Company's assets.

The Joint Administrators were also formerly appointed over another connected company – Anilana International Developments Plc. This company has since been wound-up via Creditors' Voluntary Liquidation ("CVL") and, in order to mitigate the familiarity threat, Michael Kiely and Simon Bonney of Quantuma Advisory Limited have been appointed as Joint Liquidators.

In addition, Quantuma Advisory Limited were also instructed to assist in preparing the necessary documentation to wind-up Osprey Real Estate Limited via CVL. In order to mitigate the familiarity threat, Simon Bonney and Andrew Hosking were appointed as Joint Liquidators

Specialist Advice and Services

When instructing third parties to provide specialist advice and services or having the specialist services provided by the firm, the Joint Administrator is obligated to ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work undertaken. The firm reviews annually the specialists available to provide services within each specialist area and the cost of those services to ensure best value. The specialists chosen usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment. Details of the specialists specifically chosen in this matter are detailed below.

Other Information

EC Regulations

The Company's centre of main interest was in [enter both trading address and registered office] and, therefore, it is considered that the EC Regulations will apply. These proceedings are main proceedings as defined by Article 3 of the EC Regulations.

General Data Protection Regulation

6 THE JOINT ADMINISTRATORS' FEES AND EXPENSES

Pre-Administration Costs

The Joint Administrators' Fees

The basis of the Joint Administrators' fees was fixed on 21 March 2018 by the secured creditor as follows:

That the Joint Administrators' fees be fixed by reference to the time given by them
and their staff in attending to matters arising in the Administration, such time to be
charged at the hourly charge out rate of the grade of staff undertaking the work at the
time it was undertaken. These time-costs are estimated to be in the sum of £60,900.

Further fees in excess of the fees estimate were approved by the resolution of creditors on 7 November 2018, increasing the estimated time-costs to £199,582.50. This cap was reached, following which creditors were asked to consider a further increase in the fee estimate by £100,578.50 to £300,161.00 – this was approved by creditors on 24 February 2020. Further details are provided below in the comparison of estimates.

A breakdown of the time-costs incurred during the Review Period and for the Administration as a whole is provided at Appendix IV. A detailed narrative explanation of the time-costs during the Review Period is provided at Appendix V.

"A Creditors' Guide to Administrators' Remuneration" effective from 6 April 2017 is available for download at http://www.quantuma.com/guide/creditors-guide-fees/ together with Quantuma Advisory Limited's Schedule of Current Charge Out Rates and Chargeable Disbursements.

Should you require a paper copy, please send your request in writing to the Joint Administrators at the address on the front of this report and this will be provided to you at no cost.

Comparison of estimates

The Joint Administrators' time-costs incurred to date (whether or not they have been charged to the Administration estate) are compared with the adjusted fees estimate as follows:

	Adjusted fees estimate			Actual time-costs incurred during the Review Period			Actual time-costs incurred to date

The bases on which the expenses defined as Category 2 disbursements are calculated are explained in Appendix IV.

As can be seen above:

- the adjusted fees estimate has been exceeded; and
- the original expenses estimate has been exceeded for the reasons given above.

The main reason why the original fees and expenses estimates have been exceeded is due to the complexity in the Administration relating to the complicated group structure and the work required to review the money flows between group companies and investment projects. This work is crucial in order to identify and recover the Company's assets, and was more time-intensive than was originally anticipated.

The Joint Administrators are proposing an increase in their fee estimate to creditors in order to allow them to draw their outstanding WIP, currently estimated at £38,952.15. This report has been prepared on the assumption that the requisite approval has been received, however should this not be approved then the balance of funds will be transferred into the Liquidation estate.

Payment of the Joint Administrators' unpaid fees and costs

In accordance with the Insolvency Act 1986, all unpaid fees (subject to any approved fees estimate) and costs, as described in the sections above, are charged on and payable out of the Company's property. Thus, the Joint Liquidators will be responsible for discharging these sums from the assets and funds handed over to them by the Joint Administrators.

Creditors' right to request information

Any secured creditor, or unsecured creditor with the support of at least 5% in value of the unsecured creditors or with permission of the Court, may request in writing the Joint

Administrators to provide additional information regarding fees or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report.

Creditors' right to challenge fees and/or expenses

Any secured creditor, or unsecured creditor with the support of at least 10% in value of the unsecured creditors or with permission of the Court, may apply to the Court for one or more orders, reducing the amount or the basis of fees which the Joint Administrators are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within 8 weeks of receipt by the applicant(s) of the progress report detailing the fees and/or expenses being complained of.

Please note that such challenges may not disturb fees or expenses (whether or not discharged from the estate) disclosed in prior progress reports.

7 THE OUTCOME OF THE ADMINISTRATION

Comparison of the outcome with the Joint Administrators' Proposals

Attached at Appendix II is a summary of the Joint Administrators' Proposals as approved.

It had been envisaged that the third Administration objective would be achieved, namely that property would be realised in order to make a distribution to one or more secured or preferential creditors. As described above, it can be seen that this Administration objective was achieved.

The Joint Administrators are now in the process of applying to Court to end the Administration via WUC and to simultaneously petition, under Section 140(1) of the Insolvency Act 1986, for the winding-up of the Company and for the appointment of the current Joint Administrators as Joint Liquidators of the Company. This will enable the Joint Liquidators to continue to pursue the remaining assets and other matters described in this report.

The balance in the Joint Administrators' account following the floating charge distribution, together with control of the remaining assets yet to be realised as described above, is being transferred to the Joint Liquidators.

THE JOINT ADMINISTRATORS' PROPOSALS, AS APPROVED

Schedule of Agreed Proposals of Stark Enterprise Ltd (In Administration) ("the Company") In accordance with the Insolvency Act 1986 ("the Act") and the Insolvency (England & Wales) Rules 2016 ("the Rules")

The following summary Statement of Proposals was deemed approved by creditors on 15 March 2018:

In order to achieve the purpose of the Administration:

- the Joint Administrators continue to manage the business, affairs and property of the Company in order to achieve the purpose of the Administration, in particular that:
 - (i) they sell the Company's assets at such time(s) and on such terms as they consider appropriate;
 - (ii) they investigate and, if appropriate, pursue any claims that the Company may have against any person, firm or company, whether in contract or otherwise, including any officer or former officer of the Company or any person, firm or company that supplies or has supplied goods or services to the Company; and
 - (iii) they do all such things and generally exercise all their powers as Joint Administrators as they consider desirable or expedient at their discretion in order to achieve the purpose of the Administration or protect and preserve the assets of the Company or maximise the realisations of those assets, or of any purpose incidental to these activities.
- the Joint Administrators make distributions to any secured or preferential creditors in accordance with Paragraph 65 of Schedule B1 of the Act. Further, they may make a distribution to unsecured creditors, having first sought the court's permission in accordance with Paragraph 65(3) of Schedule B1 of the Act where necessary.
- the Joint Administrators end the Administration in one of the following ways, appropriate to the circumstances of the case at the time:
 - (i) in the event that there is no remaining property that might permit a distribution to the Company's creditors, they shall file a notice of dissolution of the Company pursuant to Paragraph 84 of Schedule B1 of the Act; or
 - (ii) however, in the event that the Joint Administrators think that a distribution will be made to unsecured creditors (and they have not sought the court's permission, and are otherwise unable, to pay the distribution whilst the Company is in Administration), they shall send to the registrar of companies notice to move the Company from Administration to Creditors' Voluntary Liquidation. In such circumstances, Andrew Andronikou and Andrew Hosking will be appointed Joint Liquidators and will be authorised to act either jointly or separately in undertaking their duties as Liquidator. Creditors may nominate a different person or persons as the proposed liquidator or liquidators in accordance with Paragraph 83(7)(a) of Schedule B1 of the Act and Rule 3.60(6)(b) of the Rules, but they must make the nomination or nominations at any time after they receive the Statement of Proposals, but before it is approved. Information about the process of approval of the Statement of Proposals is set out at Section 8; or
 - (iii) alternatively, and should there be no likely funds to distribute to unsecured creditors, the Joint Administrators may seek to place the Company into Compulsory Liquidation in order to bring proceedings that only a Liquidator may commence for the benefit of the estate. In such circumstances, Andrew Andronikou and Andrew Hosking may ask the court that they be appointed Joint Liquidators, to act either jointly or separately in undertaking their duties as Liquidator.
