4. PROGRESS DURING THE PERIOD

Receipts and Payments

Attached at Appendix 1 is our abstract of receipts and payments for the period from 06/12/2020 to 05/12/2021 together with a cumulative total for the whole period of Liquidation.

What work has been done in the period of this report, why was that work necessary and what has been the financial benefit (if any) to creditors?

Details of the types of work that generally fall into the headings mentioned below are available on our firm's website - <http://www.begbies-traynorgroup.com/work-details> Under the following headings we have explained the specific work that has been undertaken on this case. Not every piece of work has been described, but we have sought to give a proportionate overview which provides sufficient detail to allow members to understand what has been done, why it was necessary and what financial benefit (if any) the work has provided to members.

The details below relate to the work undertaken in the period of the report only. Our previous report contains the details of the work undertaken since our appointment.

General case administration and planning

Insolvency Practitioners are required to maintain records to demonstrate how the case is administered, and to document any decisions that materially affect the case.

The case was subject to regular reviews to ensure case progression and the files were kept up to date.

Whilst this does not benefit members financially, it is necessary to ensure the efficient and compliant progressing of the liquidation, which ensures that the joint liquidators and their staff carry out their work to high professional standards.

Compliance with the Insolvency Act, Rules and best practice

The Insolvency Practitioners are governed by the Insolvency Act and Rules, together with following best practice guidelines known as Statements of Insolvency Practice. We have certain statutory obligations and duties to fulfil whilst in office. We are also duty bound to correspond with creditors

In this matter the following tasks were carried out:-

- Prepare, review and issue the annual progress reports to members
- Filing of the statutory report with Companies House

This work does not benefit members financially but is necessary in accordance with the Insolvency Act, Rules and best practice.

Realisation of assets

There are certain tasks that I only have to carry out where there are assets to recover. They may produce a direct benefit for members, but are subject to the costs of the proceedings generally. I undertake the work to protect and then realise the assets, initially at my own cost, suffering the loss if any asset is not realisable. We may need assistance with debt collection exercises.

All work carried out in respect of the asset realisation is for the purpose of realising property and assets for the benefit of the members generally.

I am currently liaising with HM Revenue & Customs with regards to the VAT refund due to the company, further details of which are in section 9 below.

Other matters which includes meetings, tax, litigation, pensions and travel

During the course of administering the case, the Insolvency Practitioner may be required to carry out additional work which doesn't necessarily fall under any of the other categories above.

We may also be required to submit VAT and Tax returns when appropriate in order to reclaim monies for the estate and pay over any taxes due to HMRC. As detailed above, we are also duty bound to provide notifications and further assistance to pensions departments where applicable.

I have regularly liaised with HMRC with regards to the processing of submitted VAT returns. It appears the VAT returns are now being processed, however I have not received the refund on this matter to date.

Instances and explanations of the such work that might fall under this category are provided on our website at <http://www.begbies-traynorgroup.com/work-details>.

Once again, there may not be any obvious financial benefit to members, but all work carried out would likely be considered necessary for the administration and progression of the case.

5. CREDITORS

As in any liquidation, in a members' voluntary liquidation creditors are required to prove their claims and the liquidators must examine the proofs and the particulars of the claims and admit them, in whole or in part, or reject them. The liquidators must then settle the priorities of the creditors (as between secured, preferential, secondary preferential and unsecured creditors) before paying them in full with statutory interest.

The statement of assets and liabilities embodied within the declaration of solvency sworn by the director indicated that there were no outstanding creditors and I can confirm that no claims have been received to date.

I can also confirm that I have obtained clearance from HM Revenue & Customs that no further amounts are due in respect of PAYE and National Insurance, Corporation Tax and VAT.

6. DISTRIBUTIONS TO MEMBERS

I reviewed the company's share register and I can confirm that the following distributions have been made to the members of the company all holding Ordinary £1 shares: -

Date	Amount distribution	Rate of distribution per share
13/12/2019	£941,000.00	£9,410.00 per share
21/02/2020	£5,561.36	£55.61 per share

7. REMUNERATION & EXPENSES

Remuneration

My remuneration was fixed by a resolution of the members of the Company as a set amount of £10,000.00 + VAT. Members will note that I have drawn this fee in full, from asset realisations.

Category 1 Expenses

To 05/12/2021, we have also drawn expenses in the sum of £259.30, further details of which can be found at Appendix 2.

8. LIQUIDATORS' EXPENSES

A statement of the expenses incurred during the period of this progress report is attached at Appendix 2 together with a cumulative statement showing the total expenses incurred since the date of our appointment.

9. ASSETS THAT REMAIN TO BE REALISED AND WORK THAT REMAINS TO BE DONE

VAT Receivable

Members will note from my previous progress report and the attached receipts and payments account that the VAT refund in the sum of £2,051.86 still remains outstanding from HMRC. All VAT returns, relating to both pre and post Liquidation periods were submitted to HMRC in previous reporting periods, however, I am currently awaiting confirmation that the returns have been processed and the refund will be issued once the new VAT system has been corrected. Unfortunately, the timeframe of conclusion in this respect is unknown at present.

What work remains to be done, why is this necessary and what financial benefit (if any) will it provide to members?

General case administration and planning

The case will be subject to regular reviews to ensure case progression and the files will be kept up to date.

Whilst this does not benefit members financially, it is necessary to ensure the efficient and compliant progressing of the liquidation, which ensures that the joint liquidators and their staff carry out their work to high professional standards.

Compliance with the Insolvency Act, Rules and best practice

Statutory obligations and duties will be fulfilled whilst in office which include the regular filing of progress reports with Companies House and the filing of a final report at the end of the period.

This work does not benefit members financially but is necessary in accordance with the Insolvency Act, Rules and best practice.

Realisation of assets

As detailed above, there is a VAT refund due to the company and all the Vat returns in this respect have already been submitted. I will however continue to pursue HM Revenue & Customs with regards to the remittance of the refund for the benefit of members.

All work carried out in respect of the asset realisation is for the purpose of realising property and assets for the benefit of the members generally.

How much will this further work cost?

The 'further work' detailed above has always been anticipated, but at this point in the proceedings, it has not yet been completed. As you know, this work is necessary in order that I may complete the liquidation as envisaged. The cost of completing this work will not exceed any amounts approved by members previously.

Expenses

I do not anticipate any additional expenses in connection with the work that remains to be done referred to above.
