TO ALL MEMBERS, CREDITORS AND THE REGISTRAR OF COMPANIES

1 INTRODUCTION

- 1.1 Richard Pinder and Sean Williams were appointed Joint Liquidators of O4 FM Limited ("the Company") on 23 January 2018.
- 1.2 Richard Pinder and Sean Williams are authorised to act as insolvency practitioners in the UK by the Institute of Chartered Accountants in England and Wales.
- 1.3 There has been no change in office holder since the date of liquidation.
- 1.4 This report provides an update on the conduct of the liquidation for the period from 23 January 2018 to 22 January 2019, as required by Section 104A(1) of the Insolvency Act 1986 (as amended) ("the Act") and Rule 18.3 of the Insolvency (England and Wales) Rules 2016 ("the Rules"). It contains details of the progress made, the expected outcome for creditors and other information that the Joint Liquidators are required to disclose.
- 1.5 All figures are stated net of VAT.

2 CONDUCT OF THE LIQUIDATION

- 2.1 The Company's registered office was changed to 22 Gander Lane, Barlborough, Chesterfield S43 4PZ on 9 February 2018.

Assets Realised

Plant and Machinery

- 2.2 The plant and machinery subject to finance agreements with Ultimate Finance and Aldermore Bank plc were estimated to realise £5,100 and £5,500, respectively, as valued by independent valuation agent, Charles Taylor. The plant and machinery was collected by the finance companies, due to the negligible position.

Equipment

- 2.3 As per the statement of affairs, the estimated to realise value for the equipment was nil after consultation with Charles Taylor. Charles Taylor advised that the costs of collection and disposal would outweigh any likely realisations. Subsequently, the director delivered this asset to Charles Taylor which reduced collection costs. Charles Taylor were instructed to dispose of this asset. This asset was auctioned by Charles Taylor and £75 was received.

Debtor Assignment

- 2.4 A debtor of £16,322 was assigned to Hysol Limited, a connected company by virtue of a family connection, for £2,000. Cerberus Asset Management assisted with this assignment and advised that the offer from Hysol Limited be accepted. The consideration was received in May 2018. It is not known whether Hysol Limited were advised in this regard.

Bank Interest

- 2.5 Bank interest of £2 was received in this period.

Unrealisable Assets

Tangible Assets

- 2.6 Independent valuation agents, Charles Taylor, were instructed to value the tangible assets and advise on realisation. Charles Taylor advised the cost of uplift and sale would likely outweigh the net realisations and therefore no realisations are to be made in this regard.

Assets Still to be Realised

- 2.7 The following assets are still to be realised:

Description	£
Director's Loan Account	Uncertain
	<u>Uncertain</u>

Director's Loan Account

- 2.8 As per the statement of affairs, the estimated to realise value for the director's loan account was uncertain. £1,000 has been received and a claim has been made in the deceased's estate. This matter is ongoing.

3 RECEIPTS AND PAYMENTS ACCOUNT

- 3.1 A summary of the Joint Liquidators' receipts and payments for the period from 23 January 2018 to 22 January 2019 is attached at Appendix A.

- 4.7 The funds realised have already been distributed or used or allocated for paying the expenses of the liquidation. As a result, there will be no dividend to ordinary unsecured creditors.
- 4.8 The Joint Liquidators have collated and acknowledged (where requested) the claims of the ordinary unsecured creditors, although, in view of the fact that there will be no distribution to this class of creditor, unsecured claims have not been formally agreed.

5 INVESTIGATIONS

- 5.1 Following their appointment, the Joint Liquidators considered the information acquired in the course of appraising and realising the business and assets of the Company, together with information provided by the Company's directors and its creditors, to identify any further possible realisations for the estate and what further investigations, if any, might be appropriate.
- 5.2 That assessment did not identify any possible further realisations. In addition, the Joint Liquidators concluded that no further investigations were required. If, however, any creditor is aware of any particular matters which they consider require investigation, they should send full details to this office.
- 5.3 Notwithstanding the above, the Joint Liquidators have complied with their statutory obligations under the Company Directors Disqualification Act 1986 and the appropriate report has been submitted to the relevant authority.

LEONARD CURTIS POLICY REGARDING FEES, EXPENSES AND DISBURSEMENTS

The following Leonard Curtis policy information is considered to be relevant to creditors:

Staff Allocation and Charge Out Rates

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by resolution that the office holders' remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rate given below.

With effect from 6 January 2014 the following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

6 Jan 2014 onwards	Standard £	Complex £
Director	450	562
Senior Manager	410	512
Manager 1	365	456
Manager 2	320	400
Administrator 1	260	325
Administrator 2	230	287
Administrator 3	210	262
Administrator 4	150	187
Support	0	0

Office holders' remuneration may include costs incurred by the firm's in-house legal team, who may be used for non-contentious matters pertaining to the insolvency appointment.

Subcontractors

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

Professional Advisors

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

Expenses

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:

Type	Description	Amount
Agents' fees	Costs of appointed agents in valuing and realising assets	Time costs plus disbursements plus VAT
Debt Collection fees	Costs of appointed debt collectors in realising debts	Generally agreed as a % of realisations plus disbursements plus VAT

Disbursements

Included within both of the above categories of expenses are disbursements, being amounts paid firstly by Leonard Curtis on behalf of the insolvent entity and then recovered from the entity at a later stage. These are described as Category 1 and Category 2 disbursements.

- a) Category 1 disbursements: These are costs where there is specific expenditure directly referable both to the appointment in question and a payment to an independent third party. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses (excl. mileage), and equivalent costs reimbursed to the office holder or his or her staff. Category 1 disbursements may be drawn without prior approval.
- b) Category 2 disbursements: These are costs that are directly referable to the appointment in question but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage. In the event of charging for category 2 disbursements the following items of expenditure are recharged on this basis and are believed to be in line with the cost of external provision:

Internal photocopying	10p per copy
General stationery, postage, telephone etc	£100 per 100 creditors/ members or part thereof
Storage of office files (6 years)	£81.25 per box
Business mileage	45p per mile

Category 2 disbursements may be drawn if they have been approved in the same manner as an office holder's remuneration.
