8 ENFORCEMENT OF SECURITY

8.1 General

- (a) For the purposes of all powers implied by statute, the Secured Liabilities are deemed to have become due on the date of this Deed.
- (b) Section 103 of the Act (restricting the power of sale) and section 93 of the Act (restricting the right of consolidation) do not apply to the security constituted by this Deed.
- (c) The statutory powers of leasing conferred on the Security Agent are extended and varied so that, without the need to comply with any provision of sections 99 or 100 of the Act, the Security Agent is empowered to lease, make agreements for leases, accept surrenders of leases and licences and grant options as the Security Agent may think fit.

8.2 Right of Appropriation of Financial Collateral

To the extent that any of the Charged Assets constitute Financial Collateral and this Deed and the obligations of the Chargor under this Deed constitute a Security FCA, the Security Agent (as agent and trustee for and on behalf of itself and the other Finance Parties) shall have the right, at any time after the security constituted by this Deed has become enforceable, to appropriate all or

any part of such Financial Collateral in or towards discharge of the Secured Liabilities. For this purpose, the parties agree that the value of such Financial Collateral shall be (in the case of cash) the amount standing to the credit of each bank account of the Chargor as the same may be secured hereunder pursuant to a Security FCA, together with any accrued but unpaid interest, at the time the right of appropriation is exercised and the parties hereby agree that the manner of valuation provided for in this Clause 8.2 shall constitute a commercially reasonable manner of valuation for the purposes of the Regulations. To the extent that any of the Charged Assets constitute Financial Collateral, the Chargor hereby agrees that such Charged Assets shall be held or re-designated so as to be under the control of the Security Agent for the purposes of the Regulations.

8.3 Contingencies

If the Security Agent enforces the security constituted by this Deed (whether by the appointment of a Receiver or otherwise howsoever) at a time when no amounts are due under the Finance Documents but at a time when amounts may or will become so due, the Security Agent (or the Receiver) may pay the proceeds of any recoveries effected by it into an interest bearing account or otherwise as directed by the Security Agent.

8.4 No liability as mortgagee in possession

Neither the Security Agent nor any Receiver will be liable, by reason of entering into possession of a Charged Asset, to account as mortgagee (or as the case may be, heritable creditor) in possession or for any loss on realisation or for any default or omission for which a mortgagee in possession might otherwise be liable.

8.5 Privileges

Each Receiver and the Security Agent is entitled to all the rights, powers, privileges and immunities conferred by the Act on mortgagees and receivers when such receivers have been duly appointed under the Act, except that section 103 of the Act does not apply.

8.6 Protection of third parties

No person (including a purchaser) dealing with the Security Agent or a Receiver or its or his agents need enquire:

- (a) without first appointing a Receiver; or
- (b) notwithstanding the appointment of a Receiver.

9.3 Agent of the Chargor

For all purposes each Receiver is deemed to be the agent of the Chargor and accordingly is deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Act. The Chargor alone shall be responsible for the Receiver's contracts, engagements, acts, commissions, omissions, defaults and losses and for liabilities incurred by him, and no Finance Party shall incur any liability of whatsoever nature (either to the Chargor or to any other person) by reason of the Security Agent making his appointment as a Receiver or for any other reason. - (k) any fees, costs and/or expenses (including, without limitation, legal, accountancy, consultancy, and/or valuation expenses) associated with any of the foregoing.

16.6 Immediate recourse

- (a) The Chargor waives any rights it may at any time have of first requiring the Security Agent or any Finance Party to:
 - (i) proceed against, or claim or demand payment from, any person; or
 - (ii) enforce any other rights or security, guarantees or indemnities; or
 - (iii) take any action or obtain judgment in any court against any person; or
 - (iv) require that any person be made a party to any proceedings against the Chargor; or
 - (v) have recourse first to any assets of any person; or
 - (vi) file any proof or claim in any insolvency, administration, bankruptcy, liquidation or similar proceedings relating to any other person;

in each case before claiming from, or proceeding or taking any such action against or in respect of, the Chargor under this Deed.

- (b) The waivers contained in Clause 16.6(a) apply irrespective of any law or any provision in any Finance Document to the contrary.
- (c) For the avoidance of doubt, the Chargor shall be bound by this Deed whether or not made a party to any legal or other proceedings against any Transaction Obligor or any other person for the recovery of any monies in respect of the Secured Liabilities and whether or not any formalities at any time required by the laws of England with regard to the rights or obligations of sureties shall or shall not have been observed.

16.7 Appropriations

During the Security Period each Finance Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by that Finance Party (or any trustee or agent on its behalf) in respect

of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and the Chargor shall not be entitled to the benefit of the same; and

- (b) hold in an interest bearing suspense account any monies received from the Chargor or on account of the Chargor's liability under this Deed.

16.8 Non-competition

- (a) During the Security Period, the Chargor shall not (unless the Security Agent otherwise directs, in which case it shall), after a demand or claim has been made or by virtue of any payment, performance or discharge by it under this Deed or any other Finance Document:
 - (i) take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights, guarantees, security or monies held, received or receivable by any Finance Party (or any trustee or agent on its behalf), nor exercise any other rights or remedies which the Chargor may have in respect thereof;
 - (ii) be entitled to any right of contribution or indemnity from any Transaction Obligor, or any other person in respect of any payment made or monies received on account of the Chargor's liability under this Deed or the other Finance Documents;
 - (iii) claim, rank, prove or vote as a creditor of any Transaction Obligor, or any other person or its estate, or in any liquidation or administration or similar proceedings, in each case in competition with any Finance Party (or any trustee or agent on its behalf);
 - (iv) bring any legal or other proceedings for an order requiring any Transaction Obligor, or any other person to make any payment, or perform any obligation, in respect of which the Chargor has given any guarantee, undertaking or indemnity under the Finance Documents; nor
 - (v) receive, claim or have the benefit of any payment, distribution or security from or on account of any Transaction Obligor, or any other person, or exercise any right of set-off or counterclaim as against any such person.

- (b) the Chargor shall hold in trust for, and forthwith pay or transfer to, the Security Agent for the Finance Parties any payment, distribution, contribution or benefit received by it either contrary to Clause 16.8(a) or as a result of a direction of the Security Agent under Clause 16.8(a).

16.9 Security held by Chargor

The Chargor shall not hold any security from any other person in respect of the Chargor's liability under this Deed and/or the other Finance Documents. The Chargor shall hold any security held by it in breach of this Clause 16.9 on trust for the Security Agent.

16.10 Voluntary arrangements

Without prejudice to the Security Agent's rights to recover such sums as a secured creditor under any Finance Document, on the approval of any voluntary arrangement in respect of any Transaction Obligor (or the implementation of any compromise or scheme of arrangement or any analogous procedure to any of the foregoing in any other jurisdiction) under which any Transaction Obligor's obligations to the Security Agent are compromised in any way, the Chargor shall as principal obligor be liable to the Security Agent for, and hereby undertakes to the Security Agent (as a separate and additional covenant) immediately on demand from time to time to pay to the Security Agent, amounts equal to the sums that would have been payable to the Security Agent by any Transaction Obligor, or any guarantor of any Transaction Obligor, had such compromise not occurred, and so that payment shall be made by the Chargor to the Security Agent under this Clause 16.10 in the amounts and at the times at which but for the said compromise any Transaction Obligor would have been obliged to make payment to the Security Agent. The Chargor's liability under this Clause 16.10 shall, without prejudice to the generality of Clause 16.4 (Waiver of defences), not be affected in any way by the Security Agent voting in favour of (if the Security Agent choose to do so) any voluntary arrangement, compromise, scheme of arrangement or analogous procedure proposed by or in respect of any Transaction Obligor.

17 MISCELLANEOUS

17.1 Covenant to Pay

- (a) The Chargor covenants with the Security Agent (as agent and security trustee for and on behalf of itself and the other Finance Parties) that it shall on demand pay, perform or discharge the Secured Liabilities on the due date or dates therefor.
- (b) Notwithstanding any other provision to the contrary in this Deed:

- (i) the Security Agent shall have no recourse against the Chargor or its assets (whether by way of court proceedings, a winding up application or otherwise) in respect of the Chargor's obligations and liabilities under Clause 17.1(a) other than by enforcement of the Security constituted by this Deed; and
 - (ii) the amount recoverable from the Chargor under and/or pursuant to Clause 17.1(a) (other than in the case of wilful default and/or fraud) shall be limited to an amount equivalent to that realised from the Charged Assets.
- (c) The Chargor covenants with the Security Agent (as agent and trustee for and on behalf of itself and the other Finance Parties) to pay interest on the Secured Liabilities (to the extent not otherwise charged pursuant to the Facility Agreement) on demand from the due date or dates therefor until full discharge (whether before or after judgement, liquidation, winding-up, bankruptcy or administration (whether out of court or otherwise)), such interest to accrue from day to day (on the basis of a 365 day year) calculated at the Default Rate of interest. The Security Agent may compound interest if it is not paid when due.

17.2 The Land Registry

The Chargor shall, at the direction of the Security Agent, promptly apply on Form RX1 to the Land Registry (and the Chargor hereby consents to any such application being made by the Security Agent) for a restriction in the following terms to be entered on the registers of each title of any such property registered at the Land Registry in its name and against which this Deed may be noted (including, without limitation, the Mortgaged Property):

"No disposition [*or specify details*] of the registered estate by the proprietor of the registered estate or by the proprietor of any registered charge, not being a charge registered before the entry of this restriction, is to be registered without a written consent signed by the proprietor for the time being of the charge dated [*date*] in favour of [*chargee*] referred to in the charges register or his conveyancer."

17.4 Land

- (a) If the title to any of the Mortgaged Property at any time is not registered at the Land Registry, the Chargor shall ensure that no person other than the Chargor shall be registered under the Land Registration Act 2002 as the proprietor of all or any part of such Mortgaged Property without the prior consent in writing of the Security Agent.
- (b) In the case of the title to any of the Mortgaged Property which is not registered at the Land Registry (including, in particular, any unregistered Mortgaged Property subject to compulsory first registration at the Land Registry under the provisions of the Land Registration Act 2002 as at the date of this Deed), the Chargor shall promptly:
 - (i) apply on Form FR1 for the first registration of the title to such property at the Land Registry or on Form CM1 in the case of any such Mortgaged Property to be registered at the Land Registry as commonhold property;

and the Chargor hereby consents, in each such case, to any such application being made by the Security Agent.

- (c) Whether or not the title to the Mortgaged Property is registered at the Land Registry, in the event that any caution against first registration or any notice (whether agreed or unilateral) is registered against the title to all or any part of the Mortgaged Property, the Chargor shall immediately provide the Security Agent with full particulars of the circumstances relating to such registration or notice and if such caution or notice shall have been registered in order to protect a purported interest the creation of which is not

permitted under this Deed and/or the Finance Documents, the Chargor shall immediately and at its expense take such steps as the Security Agent may require to ensure that the caution or notice (as applicable) is withdrawn or cancelled.

- (d) In relation to any freehold, commonhold or leasehold or other interest in property acquired by or on behalf of the Chargor on or after the date of this Deed, the Chargor shall (at its own expense):
 - (i) notify the Security Agent immediately upon the occurrence of such acquisition (and for the purposes of this Clause 17.4(d)(i) the date of exchange of contracts for such an acquisition shall be deemed the date of acquisition);
 - (ii) where the title to any such property is registered at the Land Registry, promptly following completion of the acquisition apply to be registered as the proprietor of the registered estate acquired in relation to such property (and the Chargor hereby consents to any application that the Security Agent may require to be made to the Land Registry for the registration of an agreed unilateral notice on Form UN1 against the relevant registered title at the Land Registry for the protection of the Security constituted by this Deed);
 - (iii) where the title to any such property is not registered at the Land Registry, promptly comply with its obligations contained in this Clauses 17.4(a) to 17.4(b) (*Land*) of this Deed in respect of such property;

 - (v) at its cost, in any such case, execute and deliver to the Security Agent, on demand, a legal mortgage (in substantially the same terms as this Deed, but to include such representations and undertakings, or such amendments, as the Security Agent may reasonably require) or, as the case may be, a standard security (in substantially the same terms as the standard security granted by the Chargor, in favour of the Security Agent on or around the date hereof) in favour of the Security Agent in respect of such freehold, heritable, commonhold or

leasehold or other interest in property; and

- (vi) in any event, give the Land Registry written notice of this Deed and procure that notice of it be duly noted in the registers to each title of any such property in accordance with the provisions of this Deed;

and, in any such case, shall promptly after the completion of any such registration provide the Security Agent with a copy of the relevant Title Information Document issued by the Land Registry recording such registration(s) within the applicable priority period.

17.5 New Accounts

If the Security Agent or any other Finance Party receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent charge or other interest affecting any Charged Asset and/or the proceeds of sale of any Charged Asset, the Security Agent or the relevant Finance Party (as the case may be) may open a new account with the relevant Chargor. If the Security Agent or the relevant Finance Party (as the case may be) does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice. As from that time all payments made to the Security Agent or the relevant Finance Party (as the case may be) will be credited or be treated as having been credited to the new account and will not operate to reduce any amount for which this Deed is security.

17.6 Certificates and Determinations

Any certification or determination by the Security Agent of a rate or amount under any Finance Document is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

17.7 Stamp duties

The Chargor shall pay, and within five (5) Business Days of demand indemnify, the Security Agent against any cost, loss or liability it incurs in relation to all stamp duty, SDLT, registration and/or other similar taxes payable in respect of this Deed from time to time, and any performance or enforcement of it.

17.8 Collateral Security

Where any Security constituted under this Deed initially takes effect as a collateral or further Security to another Security intended to be constituted under this Deed or which otherwise

secures all or any part of the Secured Liabilities to which the Chargor is a party then, despite any receipt, release or discharge indorsed on or given in respect of or under the second mentioned Security, the first mentioned Security will operate as an independent Security.

17.9 Suspense Accounts

All monies received, recovered or realised by the Security Agent under this Deed (including the proceeds of any conversion of currency) may in the discretion of the Security Agent be credited to an interest bearing suspense or impersonal account(s) in the name of the Security Agent with such financial institution (including itself) for so long as the Security Agent shall think fit (the interest being credited to the relevant account) pending the application from time to time of those monies in the Security Agent's discretion in accordance with the provisions of Clause 11 (*Application of proceeds*) (and save as expressly provided herein no Transaction Obligor will be entitled to withdraw any amount at any time standing to the credit of any suspense or impersonal account referred to above).

17.10 Exercise of Powers

Any liberty or power which may be exercised or any determination which may be made under this Deed by the Security Agent or any Receiver may, in respect of the Transaction Obligors, be exercised or made at his absolute and unfettered discretion without any obligation to give reasons for doing so.

17.11 Trustee Provisions

- (a) The Security Agent shall hold the Security Property constituted by or in connection with this Deed, including:
 - (i) the benefit of this Deed;
 - (ii) the Security constituted by this Deed, including the proceeds thereof; and
 - (iii) all undertakings, rights, title, interests, monies and other assets contained in, constituted by or received or recovered by the Security Agent under or in connection with, this Deed;

in each case in trust for the benefit of the Finance Parties on the terms and subject to the conditions set out in this Deed and the Finance Documents.

- (b) The replacement, resignation or retirement of the person for the time being acting as Security Agent, and the appointment of any successor, shall in no way prejudice: (a) the Security created or intended to be created by the Security Documents (including this Deed); (b) the obligations of the Transaction Obligors (including the Chargor) under the Finance Documents (including this Deed); (c) the rights, powers and remedies of the Security Agent and/or the other Finance Parties under the Finance Documents (including this Deed); nor (d) the trust established pursuant to this Deed and the other Finance Documents.

17.12 Constitutional Documents

The Chargor hereby certifies that its creation by this Deed of security in favour of the Security Agent (as agent and trustee for and on behalf of itself and the other Finance Parties) does not contravene any of the provisions of its constitutional or organisational documents.

17.13 Assignment

- (a) The Chargor may not assign, transfer, novate or otherwise dispose of, or declare any trust of, any of its rights and/or obligations under this Deed. This Deed shall be binding on the successors, transferees or assigns of the Chargor.
- (b) The Security Agent may at any time assign, transfer, novate, charge or otherwise dispose of all or any of its rights and benefits under this Deed to any person to whom it may assign, transfer, charge or otherwise dispose of all or any part of its rights and benefits under the Facility Agreement. The Security Agent may at any time resign or retire as Security Agent in accordance with the terms of the Facility Agreement (and the appointment of any successor or replacement shall be governed by the terms of the Facility Agreement).

17.14 Partial Invalidity

If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

17.15 Remedies, waivers, amendments and consents

- (a) No failure nor any delay in exercising, on the part of any Finance Party (including the

Security Agent) or any Receiver, any right, remedy, power or discretion under this Deed (a "**Right**") shall operate as a waiver of any such Right or constitute an election to affirm this Deed. No single or partial exercise of any Right shall prevent any further or other exercise of any other Right. The Rights provided in this Deed are cumulative and not exclusive of any rights, remedies, powers or discretions provided by law.

- (b) Any provision of this Deed may be amended, supplemented or novated only if the Security Agent agrees in writing, in accordance with Clause 37 (*Amendments and Waivers*) of the Facility Agreement. Any waiver of, and any consent or approval by the Security Agent under, any provision of this Deed shall not be effective unless it is in writing, and may be given subject to any conditions thought fit by the Security Agent, may be withdrawn or modified at any time, and shall be effective only in the instance, and for the purpose, for which it is given.

17.16 Delivery

The signature or sealing of this Deed by or on behalf of a party shall constitute an authority to the solicitors, or an agent or employee of the solicitors, acting for that party in connection with this Deed, and, in the case of the Chargor, the Security Agent's solicitors to date it and to deliver it as a deed on behalf of that party.

17.17 Set-off

- (a) A Finance Party (including the Security Agent) may set off any matured obligation due from the Chargor under the Finance Documents (including this Deed) (to the extent beneficially owned by that Finance Party) against any matured obligations owed by that Finance Party to the Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.
- (b) Without prejudice to Clause 17.17(a) above, and to Clause 8.2 (*Right of Appropriation of Financial Collateral*), upon the security constituted by this Deed becoming enforceable, the Finance Parties may, without notice or further demand, withdraw, apply, transfer, appropriate, or set-off any or all of the monies standing to the credit of the Accounts in or towards payment or other satisfaction of the Secured Liabilities in accordance with Clause 11 (*Application of Proceeds*).

17.18 No withholding

The Chargor shall make all payments under or in respect of this Deed without set-off or counterclaim and free and clear of any withholding or deduction, save as may be required by law in which event the provisions of Clause 12 (*Tax Gross Up and Indemnities*) and Clause 15 (*Mitigation by the Lenders*) of the Facility Agreement shall apply.

17.19 Perpetuity

The perpetuity period applicable to the trusts constituted by this Deed shall (if relevant) be 125 years.

17.20 Scotland

For the avoidance of doubt and notwithstanding any provisions in this deed, the fixed security created under and pursuant to this Deed shall not extend to assets located in Scotland or otherwise governed by the laws of Scotland.

18 RELEASE AND RE-ASSIGNMENT

Upon the expiry of the Security Period (or earlier only in the Security Agent's absolute discretion), and subject to Clauses 1.3 and 16.3, the Security Agent shall, at the request and cost of the Chargor, take whatever action is necessary to release and/or reassign (without recourse or warranty) the applicable Charged Assets from the security constituted by this Deed.
