NOTES ON FINANCIAL STATEMENTS
30 JUNE 2022

1. Trading

The company has never traded and it is not intended that this will change. Consequently no profit has arisen in the year or previously.

2. Accounting policies.

A. Basis of accounting-

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards.

B. Depreciation-

No depreciation has been charged on tangible fixed assets.

3. Property investment

The company purchased a property in Santa Ponsa, Majorca for £ 41, 700 during the period ended 30 June 1987. The company then entered into Licence Agreements under which all rights of occupancy were assigned in perpetuity for £38,700. In the director's opinion the residual value of the property investment (being subject to the Licence Agreements) is £3,000. In arriving at his opinion the director has had regard to the possibility in future of the company selling the property and thus having to repurchase the licences, if the license holders should wish to sell, and to the terms under which they would expect such repurchase to take place.

4. Called up equity share capital
